JORDAN ROSENFELD

Writing Deep Scenes

E. F. Barker

Writing Deep Scenes:

Writing Deep Scenes Martha Alderson, Jordan Rosenfeld, 2015-10-02 Take a Deep Dive into Plot and Scene and Improve Your Writing Whether you're planning your first novel or have already written a first draft you need to master the concepts of plot and scene to truly realize your story's potential. *Writing Deep Scenes* teaches you how to write strong, layered and engaging scenes—the secret to memorable page-turning plots. It's filled with practical tools for building layers and nuance into your scenes employing the right scene types at the right junctures and developing a profound understanding of how plot and scene intertwine. Inside you'll learn: How scenes are comprised of three key layers: action, emotion, and theme; How to recognize each layer and weave them seamlessly into a scene; How to develop an intricate relationship between the action and emotion in every scene; How thematic imagery embedded in scenes increases a story's tension and contributes to the story's meaning. Using contemporary examples from a variety of genres, *Writing Deep Scenes* provides an effective method for plotting at the scene level. Use these techniques and enrich your fiction and memoirs with page-turning suspense and pathos and explore new depths in every story you write.

Make a Scene Revised and Expanded Edition Jordan Rosenfeld, 2017-07-19 The definitive guide to writing scenes now revised and expanded. Scenes are the building blocks for any work of fiction—the DNA sequence that makes a novel unputdownable and unforgettable. When writers are able to craft effective, engaging scenes, they can develop a complete, cohesive story and a mesmerizing experience for readers. *Make a Scene Revised and Expanded Edition* takes you step by step through the elements of strong scene construction and demonstrates how the essential aspects of a compelling story—including character, plot, and dramatic tension—function within the framework of individual scenes to give momentum to the whole narrative. You'll learn how to craft an opening scene that hooks readers and foreshadows conflict; develop various scene types from contemplative to suspenseful to flashback that are distinct and purposeful; establish characters' intentions within a scene that drive the plot; transition into new scenes by clearly establishing details of setting, character, and point of view; create resonating climactic and final scenes that stay with readers long after they've finished your story. The revised and expanded edition includes brand new examples, an increased focus on advancing plot and character development, and the same knowledge and clarity that writers have come to expect from Jordan Rosenfeld. *Make a Scene* is an essential part of any novelist's library; make sure it's in yours.

Writing Blockbuster Plots Martha Alderson, 2016-03-03 Plotting a story filled with memorable, engaging scenes from beginning to end can feel like an insurmountable challenge. Having the right plan and the tools to execute it can make all the difference. *Writing Blockbuster Plots* pulls back the curtain on story structure with step-by-step strategies and visuals that turn plotting and scene writing into a no-stress endeavor. In this completely revised and updated edition, celebrated writing instructor and plot consultant Martha Alderson helps you navigate the intricacies of story with the help of her exclusive Plot Planner and Scene Tracker tools. Using Alderson's effective, accessible techniques, you'll be able to PLOT your story from beginning to end.

with a focus on dramatic action the emotional development of your characters and thematic significance ENSURE that each scene contributes meaningfully to the narrative by tracking the seven essential elements of scene LINK scenes by cause and effect to create a tight seamless narrative INJECT tension and conflict to keep readers glued to the page TARGET weak areas in your story and learn how to fix them Filled with examples from both classic and contemporary novels as well as illustrations of the Plot Planner and Scene Tracker in action Writing Blockbuster Plots strips the confusion out of the plotting process enabling you to write a story that deserves a standing ovation **How To Write a Page Turner** Jordan

Rosenfeld,2019-03-19 Infuse Your Fiction with the Powerful Tug of Tension Tension is the heart of conflict the backbone of uncertainty the hallmark of danger It keeps readers guessing and characters on their toes When you ve got tension in place stories leave readers breathless and wanting more When it s missing scenes feel inconsequential plots drag and characters meander Learning the craft of writing can sometimes feel like a paint by numbers approach connect compelling character A to plot event B To avoid writing that s formulaic predictable and slow How to Write a Page Turner will help you sew the threads of tension tight for an unforgettable story You ll learn how to Recognize the essential tension elements of danger conflict uncertainty and withholding and add them to your fiction Create levels of tension in your characters through flaws dialogue power struggles and more Build tension at energetic markers throughout the plot Use intimate imagery strong sentences and well chosen words to build tension in exposition While this book walks you through the key areas that need tension building from character to plot it also delves deeper analyzing exceptional examples from contemporary fiction s most gripping page turners So as you dive into the inner conflicts of a character s deepest psyche to the mechanics of how you reveal information to the reader you ll also discover how to craft a story your readers can t put down **Writing the**

Intimate Character Jordan Rosenfeld,2016-10-04 Craft Vibrant Characters and an Intimate Reading Experience The key to excellent fiction lies in its characters the unforgettable protagonists antagonists and secondary characters who populate the world of your story Understanding and effectively using point of view allows you to write a powerful narrative that draws readers in and engages them with characters in a meaningful way Through a blend of practical instruction useful examples and helpful exercises Writing the Intimate Character shows you how to create the experience of living through a character rather than just reading about one Inside you ll learn The functions and benefits of first person third person intimate omniscient and second person points of view How to apply character cues specific behaviors sensory perceptions dialogue and visual imagery to develop a realistic protagonist and secondary cast The surface and subset feelings that get to the root of your character s emotions How different viewpoints affect the story you want to tell Writing the Intimate Character helps you craft a novel in which readers can experience your characters senses dive inside their minds and truly feel their emotions Writing the Intimate Character the latest engaging guide by Jordan Rosenfeld is a rich resource we ll all be learning from for the rest of our lives Does the term point of view seem too dull and dry she asks Try intimacy instead And then she shows us

how with diverse examples and wise observation Now that I have Jordan's take on how to create a character from the inside out I'm eager to get to it You too will find this book that inspiring Rebecca Lawton author of *Sacrament Homage to a River* and other books *Writing the Intimate Character* provides insights examples and exercises that will be useful not only to those who are new to writing fiction but to those like myself who are coming back to it after a break Jordan Rosenfeld's explanation of how narrative voice works with point of view and other literary elements to create characters that readers care deeply about is clear and revelatory The book can be worked through methodically or dipped into as needed It's a useful tool for getting the gears of imagination working or for jump starting and fine tuning a work in process Zoe Zolbrod author of the novel *Currency* and the memoir *The Telling* Jordan Rosenfeld has a keen insight into how to construct characters who are truly lived in With intelligence and wit she walks you through every element of powerful characterization from selecting your POV to demonstrating character growth throughout your story Whether you're new to fiction or a more experienced writer put your trust in Jordan Rosenfeld she'll help you tell a better story Laura Bogart freelance writer and novelist **Writing for the Stage** Leroy Clark, 2006 With skills focused exercises ranging from beginning to advanced levels *Writing for the Stage* takes students through the creative process to develop a stageworthy script The purpose of *Writing for the Stage A Practical Playwriting Guide* is to provide students with a variety of exercises to help develop writing skills for the stage that eventually lead to the creation of a script Although there is no magic formula no right or wrong way to create a dramatic work there are still traditional expectations for plot conflict theme character development dialogue and so forth that need to be discussed Features Provides both a theoretical framework and practical exercises for developing skills helping students to gain a complete understanding of the creative process Includes exercises at beginning intermediate and advanced levels for each topic allowing instructors to choose the most appropriate exercises for their students Looks at the relationship of writing to the practical realities of today's theatre making students aware of how the realities of staging and budget must be considered in writing for today's theatre Explores three kinds of conflict internal personal and external and conflict within society providing many choices for developing dramatic situations Discusses not only the masculine linear approach to playwriting but also feminine and non linear structure providing exercises for non traditional experimental scene development opening students eyes to exploring structure and character in more creative experimental ways Devotes an entire chapter to writing monologues including short monologues within plays and long one person plays providing extra guidance in this important technique Offers extensive material on exploring character that is more detailed than in other texts especially in the depth of physical social and psychological character development providing students with a starting place to create characters Praise for *Writing for the Stage A Practical Playwriting Guide* I haven't seen a more thorough text than *Writing for the Stage* The exercises it suggests for student writers are ingenious and of great benefit to anyone trying to develop the skills required to develop character maintain audience interest and involvement reveal exposition subtly create a

plausible and aesthetically satisfying plot structure and so on David Wagoner University of Washington This book is distinguished and is a superior and useful text because it is honest very thorough step by step and comprehensive It is wise about the way theatre works today Richard Kalinoski University of Wisconsin Oshkosh **A College Course in Writing from Models** Frances Campbell Berkeley Young,1910 *Writing the Photoplay* Joseph Berg Esenwein,Arthur Leeds,1919 **The Elinor Glyn System of Writing** Elinor Glyn,1922 **The Writing of Informal Essays** Mary Ellen Chase,Margaret Eliot Macgregor,1928 **The Art of Photoplay Writing** E. F. Barker,1917 **On the Limits of Descriptive Writing** **Apropos of Lessing's Laocoön** Frank Egbert Bryant,1906 **Gardner's Guide to Feature Animation Writing** Marilyn Webber,2002 This book conveys useful screenwriting rules to help you develop marketable feature length animation scripts It explains the differences between animation and live action scripts and feature animation genres and gives advice on plot structure character dialogue and the integration of comedy elements [Essay-writing for Schools a Practical Exposition of the Principles of this Form of Composition ... Designed to Meet the Requirements of the Public Examinations](#) Leslie Cope Cornford,1903 [Writing of Today](#) John William Cunliffe,Gerhard Richard Lomer,1915 [The Art of Photoplay Writing](#) Catherine Carr,1914 [Elements of Fiction Writing - Characters & Viewpoint](#) Orson Scott Card,1999-03-15 Vivid and memorable characters aren't born they have to be made This book is a set of tools literary crowbars chisels mallets pliers and tongs Use them to pry chip yank and sift good characters out of the place where they live in your memory your imagination and your soul Award winning author Orson Scott Card explains in depth the techniques of inventing developing and presenting characters plus handling viewpoint in novels and short stories With specific examples he spells out your narrative options the choices you'll make in creating fictional people so real that readers will feel they know them like members of their own families You'll learn how to draw the characters from a variety of sources including a story's basic idea real life even a character's social circumstances make characters show who they are by the things they do and say and by their individual style develop characters readers will love or love to hate distinguish among major characters minor characters and walk ons and develop each one appropriately choose the most effective viewpoint to reveal the characters and move the storytelling decide how deeply you should explore your characters thoughts emotions and attitudes [Historic Scenes in Perthshire](#) William Marshall,1880 **Units of Study for Teaching Writing** Lucy Calkins,2006 This series of books is designed to help upper elementary teachers teach a rigorous yearlong writing curriculum [The Writer's Digest Handbook of Novel Writing](#) Tom Clark,1992 In essays drawn primarily from Writer's digest magazine noted novelists leading editors and teachers address the specifics of novel writing from how to create dialogue to how to negotiate a contract with a publisher Annotation copyrighted by Book News Inc Portland OR
