WELCOME TO THE FIFTH INDUSTRIAL REVOLUTION

The progression of all the industrial revolutions tells an interesting tale. While the first two had a cycle of over a hundred years each, the third reduced it to around seventy years. With the fourth industrial revolution, the world took a giant leap in connectivity. However, not many would have imagined that the fourth industrial revolution would give way to the fifth within the next decade, paving the way for exponential technology led transformation. As you read this creative destruction of business models taking place across the world in every sector, From the ashes of the old are rising stunning new models. The Next New identifies and profiles the deep shifts that are fundamentally changing professional careers and revenue models in every industry, from mobility, aerospace and smart manufacturing to green energy, automation and artificial intelligence and a whole range of disruptive

technologies. Driven by emerging technologies demand for social inclusion and the urgency of sustainable practices a multitrillion dollar transition is under way. Drawing on numerous interviews of business leaders and cutting edge research findings from MarketsandMarkets this book provides a practical roadmap to businesses as they prepare for the new ecosystem being created in turn helping to articulate the fifth industrial revolution with greater success.

The Parent-School Board Feuds Gerard Giordano, 2024-10-02 During the COVID 19 pandemic parents were able to observe their children in online classes. They were surprised by classroom discussions and assignments related to gender race ethnicity and religion along with the policies that were guiding curricula tests technology athletics discipline safety transportation funding and numerous other aspects of schools. Parents began giving their advice to their school boards but when they were ignored they disrupted meetings wrote editorials created blogs staged rallies and lobbied state officials. They were hoping to attract media attention and acquire political power and were stunned by their success. *The Parent School Board Feuds Essential Steps by Parents to Improve Schools* recounts parent school board feuding about controversial classroom topics such as gender and race their disagreements about school policies including those affecting tests technology athletics and discipline and the impact that parents had during the pandemic and continue to have today.
