The College Completion Glass—Half-Full or Half-Empty? Tiffany Beth Mfume, 2018-12-21 Despite the Great Recession and looming student loan debt crisis, college education remains the most proven invaluable lifetime investment and serves as the most reliable path to upward mobility and socioeconomic class reassignment. Mfume suggests that the value added of even one year of college can be transformative. As higher education professionals and partners continue to advocate for new and improved college retention and graduation measures, *The College Completion Glass Half Full or Half Empty: Exploring the Value of Postsecondary Education* presents a new paradigm for higher education, one that focuses on the value added of postsecondary education as well as on student success beyond the traditional measure of college graduation rates, a model which merges conventional practices and supports for students with non-traditional partnerships with and advocacy from successful non-completers.

College Admissions Cracked Jill Margaret Shulman, 2019-08-06 How to help your kid navigate the college admissions process from scheduling standardized tests to writing essays month by month. Girlfriend's guide style. So your child is a high school junior. You've heard other parents with kids older than yours whisper the word college like it was a terminal disease. You've seen their taut maniacal grins as they try to hold it together. The process of weathering and conquering the college admissions process with a teenager is a daunting affair for many. Advice will pour in through friends, your child's guidance counselor, and your mother's neighbor's cousin. Thankfully, Jill Margaret Shulman, a college admissions coach, application evaluator, college writing instructor, essayist, author, and empathetic parent is here to be your fiercest ally. She'll guide you through the entire crazy ritual that college admissions has become month by month, breath by deep cleansing breath, until you drop your kid off at college where she will ignore your phone calls and texts. Come as you are, whether chill or roiling with anxiety, and Shulman, along with a platoon of experts and fellow parents, will help you maintain your strength and sense of self-worth so easily lost somewhere between your teenager's screaming "I hate you! You're ruining my life!" and typing your credit card number into the College Board's website for the twentieth time. You've got college admissions cracked, and now this book has got your back.
