*Crash Course in Readers' Advisory* Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers advisory for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily, readers advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever-changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy-to-understand crash course with the solid background you need to do both.

[Shark Heart](#) Emily Habeck, 2023-08-08 A New York Times Editors Choice A USA TODAY Bestseller A Booklist Editor's Choice A Goodreads Choice Award Nominee A Massachusetts Book Awards Fiction Honors Selection Shortlisted for the Brooklyn Public Library Book Prize A beautifully written Anthony Doerr Pulitzer Prize winning author of *All the Light We Cannot See* debut novel of marriage, motherhood, metamorphosis and letting go. This intergenerational love story begins with newlyweds Wren and her husband Lewis, a man who over the course of nine months transforms into a great white shark. For Lewis and Wren, their first year of marriage is also their last. A few weeks after their wedding, Lewis receives a rare diagnosis. He will retain most of his consciousness, memories and intellect, but his physical body will gradually turn into a great white shark. As Lewis develops the features and impulses of one of the most predatory creatures in the ocean, his complicated artist's heart struggles to make peace with his unfulfilled dreams. At first, Wren internally resists her husband's fate. Is there a way for them to be together after Lewis changes? Then a glimpse of Lewis's developing carnivorous nature activates long-repressed memories for Wren, whose story vacillates between her childhood living on a houseboat in Oklahoma, her time with her college ex-girlfriend and her unusual friendship with a woman pregnant with twin birds. Woven throughout this heart-wringing story is Adam Roberts, internationally bestselling author of *Salt*, novel is the story of Wren's mother, Angela, who becomes pregnant with Wren at fifteen in an abusive relationship amidst her parents' crumbling marriage. In the present, all of Wren's grief eventually collides and she is forced to make an impossible choice. A sweeping love story that is at once lyrical and funny, airy and visceral, *Shark Heart* is an unforgettable, gorgeous novel about life's perennial questions: the fragility of memories, finding joy amidst grief and creating a meaningful life. This daring debut marks the arrival of a wildly talented new writer abounding with originality, humor and heart.
