Why the World Doesn't Make Sense Christine Menedis, 2025-04-15 A rare hopeful read that will forever change the way you see the world The world is unraveling and most people can feel it But the deeper problem isn't the chaos It's that nothing makes sense anymore In *Why the World Doesn't Make Sense* writer and thinker Christine Menedis traces the fracture beneath our modern moment exposing how a forgotten shift in how we define the human person led to the confusion fragmentation and loss of liberty we now call normal She reveals how our institutions ideologies and even our best attempts at solutions are all rooted in a broken understanding of the individual This isn't a culture war book It's not a call to rebuild the system or to burn it down It's about truth what happens when a society loses it and how to find our way back home

Multicultural America Ronald H. Bayor, 2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what
