Use your brand or company name in hashtags the hashtags that you pick don't have to be complicated. If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags. This will make it easier for your followers to find you because they can just search the name and find some of your posts. Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers. Take the time to look over the pages of your followers and then like and share some of their posts. This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page.
