Modern PHP Josh Lockhart, 2015-02-16 PHP is experiencing a renaissance though it may be difficult to tell with all of the outdated PHP tutorials online. With this practical guide you'll learn how PHP has become a full featured, mature language with object orientation, namespaces and a growing collection of reusable component libraries. You'll learn best practices for application architecture and planning, databases, security, testing, debugging and deployment.

Grounded Innovation Lars Erik Holmquist, 2012-04-10 Understanding digital artifacts. Innovation making a change in the world. Inquiry: finding out how things are. Invention: creating something new. Prototyping: finding out if and how it works. Materials: Interaction surfaces for input and output. Networking: when things get connected. Sensing: being aware of the context. Proactivity: products that decide for themselves. Creating digital products: mashing it up and getting it out there.
