We understand there is national policy around the availability of weight loss medications from 23 June 2025.

GPs in Lancashire & South Cumbria have not yet received confirmation that they will be commissioned to prescribe these medications.

Your GP is awaiting official guidance & commissioning updates. Until we receive confirmation, we cannot guarantee that the service will be available from 23 June.

## WHAT YOU NEED TO KNOW

- We will provide an update as soon as more information becomes available.
- If we are going to be commissioned to provide this service, we will offer suitable appointments to our patients
- If we are not going to be commissioned, we will advise you on what arrangements are being put in place for the local population.

Thank you for your patience, understanding and for waiting for official updates before contacting your GP Practice about this medication.
