**The Financial Services Guide to Fintech** Devie Mohan,2020-01-03 Fintech has emerged as one of the fastest growing sectors in the financial services industry and has radically disrupted traditional banking. However, it has become clear that for both to thrive, the culture between fintech and incumbent firms must change from one of competition to collaboration. The Financial Services Guide to Fintech looks at this trend in detail using case studies of successful partnerships to show how banks and fintech organizations can work together to innovate faster and increase profitability. Written by an experienced fintech advisor and influencer, this book explains the fundamental concepts of this exciting space and the key segments to have emerged, including regtech, robo advisory, blockchain, and personal finance management. It looks at the successes and failures of bank fintech collaboration, focusing on technologies and start-ups that are highly relevant to banks' product and business areas such as cash management, compliance, and tax. With international coverage of key markets, The Financial Services Guide to Fintech offers practical guidance, use cases, and business models for banks and financial services firms to use when working with fintech companies.

[Research Handbook on the Metaverse and Law](#) Larry A. DiMatteo, Michel Cannarsa,2024-08-06 This Research Handbook analyses the role of law in a universe fractured by new, disruptive technologies such as metaverse platforms. Contributing authors explore how the law will adapt as new dimensions of the metaverse are introduced to issues such as intellectual property rights, e-commerce, NFTs, and cryptocurrencies, data privacy, contract law, as well as human rights, consumer law, and criminal law. The abuse and manipulation of users is studied in several contributions.
