**Wild Goose Chase** Mark Batterson,2008-08-19 Most of us have no idea where we're going most of the time Perfect Celtic Christians had a name for the Holy Spirit An Geadh Glas or the Wild Goose The name hints at mystery Much like a wild goose the Spirit of God cannot be tracked or tamed An element of danger an air of unpredictability surround Him And while the name may sound a little sacrilegious I cannot think of a better description of what it's like to follow the Spirit through life I think the Celtic Christians were on to something Most of us will have no idea where we are going most of the time And I know that is unsettling But circumstantial uncertainty also goes by another name Adventure from the introduction

**The Grave Robber** Mark Batterson,2014-09-02 Do we believe that God still does miracles Do we expect him to move in miraculous ways in our day in day out lives Maybe we'd like to see miracles but it's hard to see past our problems All that is about to change like water into wine There are miracles all around us all the time says Mark Batterson but you won't see them if you don't know how to look for them Now the bestselling author of The Circle Maker reveals the incredible power of the seven miraculous signs of Jesus found in the Gospel of John Batterson shows how they were not simply something Jesus did in the past but something he wants to do now in the present He shares true stories of people today who are experiencing miracles in their lives And he brings to light countless miracles big and small that we take for granted every day that point us toward the One who healed the sick calmed the storm and yes even raised the dead But this is more than a book about miracles It's a book about the only One who can perform them Batterson cautions readers Don't just seek miracles Seek Jesus And if you seek Jesus miracles will find you Nothing has changed since Jesus called Lazarus

Batterson,2010-11-02 Our generation needs a reformation But a single person won t lead it A single event won t define it Our reformation will be a movement of reformers living creatively compassionately courageously for the cause of Christ This reformation will not be born of a new discovery It will be the rediscovery of something old something ancient Something primal Mark Batterson Primal What would your Christianity look like if it was stripped down to the simplest rawest purest faith possible You would have more not less You would have the beginning of a new reformation in your generation your church your own soul You would have primal Christianity This book is an invitation to become part of a reformation movement It is an invitation to rediscover the compassion wonder curiosity and energy that turned the world upside down two thousand years ago It is an invitation to be astonished again **Soulprint** Mark Batterson,2011-01-18 There never has

been and never will be anyone like you But that isn t a testament to you It s a testament to the God who created you The problem Few people discover the God given identity that makes them unlike anyone else Mark Batterson calls this divine distinction our soulprint God would like to introduce you to yourself In Soulprint Mark pours the contagious energy he s known for into helping you experience the joy of discovering who you are and the freedom of discovering who you re not The wonderful fact is that your uniqueness is God s gift to you and it s also your gift to God A self discovery book that puts God at the center rather than self Soulprint encourages you to recognize and explore the five defining moments in your life that will determine your destiny Along the way you ll find that you re not just turning the pages of a book You re turning the pages of your remarkable God shaped world changing life **Wild Goose Chase** Terri Thayer,2010-09-08 A computer techie by trade Dewey Pellicano would rather swallow needles than be pinned down to a life of quilting But when her mother passes away
