**Wild Seed** Octavia E. Butler, 1980 Doro is an entity who changes bodies like clothes killing his hosts by reflex or design He fears no one until he meets Anyanwu Anyanwu has also died many times She can absorb bullets and make medicine with a kiss give birth to tribes nurture and heal and savage anyone who threatens those she loves She fears no one until she meets Doro From African jungles to the colonies of America Doro and Anyanwu weave together a pattern of destiny that not even immortals can imagine Copyright Libri GmbH All rights reserved

**The Bloomsbury Handbook to Octavia E. Butler** Gregory J. Hampton, Kendra R. Parker, 2020-02-20 Octavia E Butler is widely recognized today as one of the most important figures in contemporary science fiction Bringing together leading and emerging scholars and covering Butler's complete works from the bestselling novel *Kindred* to her short stories and major novel sequences *Patternmaster* *Xenogenesis* and *The Parables* this is the most comprehensive Companion to Butler scholarship available today The Bloomsbury Handbook to Octavia E Butler covers the full range of contemporary scholarly themes and approaches to the author's work including Cyborgs and the posthuman Race and African American history Afrofuturism Gender and sexuality New perspectives from Religious Studies the Environmental Humanities and Disability Studies New discoveries from the Butler archives at the Huntington Library The book includes a comprehensive bibliography of works by Butler and secondary scholarship on her work as well as an afterword by the novelist Tananarive Due

**Abolish Criminology** Viviane Saleh-Hanna, Jason M. Williams, Michael J Coyle, 2023-08-25 *Abolish Criminology* presents critical scholarship on criminology and criminal justice ideologies and practices alongside emerging freedom driven visions and practices for new world formations The book introduces readers to a detailed history and analysis of crime as a concept and its colonizing trajectories into existence and enforcement These significant contexts buried within peculiar academic histories and classroom practices are often overlooked or unknown outside academic spaces This causes the impact of criminology's racializing gendering sexualizing histories to extend and grow through criminology's creation of crime as a very limiting way of thinking about violence and what can be done about it These limitations allow the concept of crime to be weaponized and enforced through the criminal legal system *Abolish Criminology* offers an accessible critical study of criminology in written visual and poetic forms and through the perspectives of university students professors imprisoned and formerly imprisoned scholars poets and visual artists This allows readers to engage in multi sensory inter disciplinary and multi perspective teachings on criminology's often discussed but seldom interrogated mythologies on violence and danger while bringing to light the wide reaching enforcements of violence through criminology's research theories agencies and dominant cultures *Abolish Criminology* serves the needs of undergraduate and graduate students and educators in the social sciences arts and humanities It will also appeal to scholars researchers policy makers activists community organizers social movement builders and various reading groups in the general public who are grappling with increased critical public discourse on policing and criminal legal reform

or abolition     *Popular Contemporary Writers* Michael D. Sharp, 2005-10 Ninety six alphabetically arranged author profiles include biographical information critical commentary and illustrations     **A Spirit of Dialogue** Christopher N.

Okonkwo, 2008 A groundbreaking study *A Spirit of Dialogue* examines through extensive interdisciplinary research theory and close reading the intricate reconstructions extensions and resonances of the West African myth of spirit children the Born to Die in contemporary African American neo slave narratives Arguing that the myth called Ogba je in Igbo language and b k in Yoruba has had over thirty years of uncharted presence in African American literature Okonkwo advances a compelling case absent in extant scholarship He traces Ogba je the Born to Die s appearance in African American texts to a convergence of factors They include but are not limited to the impact of Chinua Achebe s *Things Fall Apart* the 1960s emergence of the contemporary neo slave narrative the 1960s and 1970s black consciousness Black Power movement and the cultural agenda gendered politics and centripetal philosophy of the Black Arts movement s nationalist aesthetic African American identity questions of the post civil rights and the multicultural eras and the thematic shifts as well as the African diaspora orientation of African American fiction of the post nationalist aesthetic period *A Spirit of Dialogue* focuses on the sometimes neglected and understudied works of four canonical African American writers Octavia E Butler s *Wild Seed* and *Mind of My Mind* Tananarive Due s *The Between* John Edgar Wideman s *The Cattle Killing* and Toni Morrison s *Sula* and *Beloved* Okonkwo demonstrates persuasively how the mythic spirit child informs the content and form of these novels offering Butler Due Wideman and Morrison a non occidental code by which to engage collectively with the various issues integral to the history experience of African descended people The paradigm functions then as the nexus of a life affirmative dialogue among the six novels as well as between them and other works of African religious and literary imagination particularly *Things Fall Apart* and Ben Okri s *The Famished Road*     *God is Change* Aparajita Nanda, Shelby

Crosby, 2021-06-18 Octavia Butler s fictional worlds show the potential of religion to connect heal or liberate Contributors explore the bases of these potentials in the many religious traditions Butler draws on the forms they take in her stories and the work they do to heal trauma and violence     *Tools of Their Tools* Grzesiek Kosc, Krzysztof Majer, 2009-05-27 The book explores the role of communication technologies in American cultural practice over the last 150 years Communication technologies are here understood to include audio and visual reproduction technologies analogue telecommunications such as traditional telephony radio and television broadcasts digital telecommunications computer mediated communications telegraphy and computer networks The study of the impact of such technologies is a way to explore the various flows and tensions of American culture How has American society molded communication technologies How have they in turn shaped American history Are Americans still in the words of Thoreau tools of their tools More so or less than during the philosopher s Walden days How do America s cultural ethical and economic assumptions determine and limit the ways in which telecommunications function in American society Fascinating questions abound     **Luminescent Threads: Connections to**

**Octavia E. Butler** Alexandra Pierce, Mimi Mondal, 2017-08 *Luminescent Threads* celebrates Octavia E Butler a pioneer of the science fiction genre who paved the way for future African American writers and other writers of colour Original essays and letters sourced and curated for this collection explore Butler's depiction of power relationships her complex treatment of race and identity and her impact on feminism and women in Science Fiction Follow the luminescent threads that connect Octavia E Butler and her body of work to the many readers and writers who have found inspiration in her words and the complex universes she created
