**Wilhelm Meister's Apprenticeship** Johann Wolfgang von Goethe, 2015-07-08 Excerpt from Wilhelm Meister's Apprenticeship A Novel It has been observed by a very profound German critic that the periods of Goethe's outward life are most intimately connected with the eras of his literary career and they are generally divided into three principal periods which have been designated as the sentimental and intense the ideal and the elegant In the former Goetz von Berlichingen and Werther are the chief illustrations of his genius and in those two works Goethe found means to gratify his strongest youthful propensities the one for German things and manners the other for the delineation of joys and sorrows common to humanity which agitated his bosom The character of his works at this period was national full of that German spirit for which Lessing fought so manfully and which Goethe expressed with matchless felicity Between the first and second eras of his literary career an interval of twelve years elapsed during which he produced nothing very considerable but it was at this time that he visited Italy If as it has been said his taste had previously inclined to the Flemish school it was after his visit to Italy that his eyes opened to the full perception of high art His rich and fertile spirit which embraced at once the Lofty the Child like and the Lovely now turned to the Noble and the Elevated In place of his former principle of naturalness or reality now arose that of Ideality that pure Ideality which transports nature into the regions of Idea and pure Beauty The three great works which fall within this era are William Meister Faust and Hermann and Dorothea What Goethe really intended by the first of these performances must remain to some degree a mystery About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Wilhelm Meister's Apprenticeship, Vol. 1 of 2 (Classic Reprint)* Johann Wolfgang Von Goethe, 2017-10-24 Excerpt from Wilhelm Meister's Apprenticeship Vol 1 of 2 So saying the old woman was beginning to undress her but Mariana wrenched herself away crying Not so fast I am expecting a visitor to night About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Wilhelm Meister's Apprenticeship and Travels (Classic Reprint)** Johann Wolfgang von Goethe, 2016-09-17 Excerpt from Wilhelm Meister's Apprenticeship and

Translations From the German Vol 2 Wilhelm Meister s Apprenticeship and Travels Thus when Wilhelm thought how little he had done for Felix how little he was capable of doing there arose at times a restlessness within him which appeared to counterbalance all his happiness Are we men then said he so selfishly formed that we cannot possibly take proper charge of any one without us Am I not acting with the boy exactly as I did with Mignon I drew the dear child towards me her presence gave me pleasure yet I cruelly neglected her What did I do for her education which she longed for with such earnestness Nothing I left her to herself and to all the accidents to which in a society of coarse people she could be exposed And now for this boy who seemed so interesting before he could be precious to thee has thy heart ever bid thee do the smallest service to him It is time that thou shouldst cease to waste thy own years and those of others awake and think what thou shouldst do for thyself and for this good being whom love and nature have so firmly bound to thee This soliloquy was but an introduction to admit that he had already thought and cared and tried and chosen he could delay no longer to confess it After sorrow often and in vain repeated for the loss of Mariana he distinctly felt that he must seek a mother for the boy and also that he could not find one equal to Theresa With this gifted lady he was thoroughly acquainted Such a spouse and helpmate seemed the only one to trust one s self to in such circumstances Her generous affection for Lothario did not make him hesitate By a singular destiny they two had been forever parted Theresa looked upon herself as free she had talked of marrying with indifference indeed but as of a matter understood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst
