Will Rogers For President:

Will Rogers for President Charley Green, 2012-04 WILL ROGERS 1879 1935 The consideration of Will Rogers as a candidate for President of the United States in 1928 was more of a symbolic gesture acknowledging his spirit insight and honesty Will had the ability to accurately interpret the political and economic events of the day events which in many ways relate to our own upcoming elections His humor with an occasional sarcastic remark thrown in kept folk s attention giving them a reason to stay informed Will Rogers had a remarkable career that went from Oklahoma cowpuncher to international star He embodied the heart and soul of this nation at a time when a fresh voice clear eyes and spoken truth were needed This simple plain spoken man who was part Cherokee Indian and a former cowboy became the voice of a nation during the 20s and 30s His writings quotes and speaking engagements were directed toward the political arena as well as other events of the time Strange as it seems most of those pearls of wisdom are just as relevant today as they were in Will s day It is my intent to give you folks a point of reference that may apply to some political happening today as well as a useable quote you may toss out to liven up a conversation or speech Will liked people and never forgot his roots He was able to connect with folks in a way most politicians heads of states and those in high places could not In many cases politicians were more interested in their own AGENDA instead of the people who helped get them elected Some things haven t changed and it seems as if certain principles are embedded in our political system for all times Through his message and style of delivery he conveyed to the entire nation what was really going on in the heart of the country As a result of ability to connect with people his compassion for values and principles Rogers was accepted respected trusted and honored throughout the world from the common man to royalty The intent of this booklet is to present in an interview format a quick read and reference Will s timeless philosophy as well as insights into political life from yesteryear presented as they apply to today s events These golden nuggets and guiding thoughts will be something you can relate to learn from as well as sharing with others possibly opening up certain areas for cussing or discussing The topics covered are introduced by a question then answered with one of Candidate Rogers insightful Thoughts Quotes Anecdotes in understandable terms and concepts that make sense common sense Enjoy the timeless sayings and expressions of Will Rogers presented in this booklet My goal is to put a smile on your face possibly some insight into the ever changing and in many ways never changing world of Elections Politics **Draft Will Rogers for President of the United States** John Thomas Mulligan, Will Rogers, 1931 **The Books of Will Rogers:** **Letters of a self-made diplomat to his President** Will Rogers, 1973 Will Rogers' World Bryan B.
