Walker, An antique blue Cadillac What could it mean What relevance could it have to this dystopian crime story The sequel to Purple Kitty continues Serena's courageous story in Blue Cadillac You will NOT enjoy this story unless you have read the first book Purple Kitty This series is not for everyone As one 5 Star reviewer said Chilling as an ice bath When I reviewed the first book of the series I said I wanted resolution I found it in this book Serena McKay has gone into hermit mode after the events of the other book drinking and not allowing anyone inside her door Her foster father Henry has finally had enough and goes to Serena's sixth floor apartment and kept knocking for hours until she finally reacted and let him in The two of them talked as they never had before They talked about the erosion of rights for the illusion of safety Serena asked the questions and Henry

answered The destruction of society the ceding of rights without realizing it the utter lack of privacy all the things our current society is facing right now and Henry had answers for Serena By the next morning they both had renewed purpose and were determined to catch the Cellophane Killer This was every bit the resolution I needed Thanks Ms Walker Serena McKay P I lives in a post apocalyptic time where the rich get richer and the poor become destitute In August City you are either rich or poor Existence there is nightmarish and chilling for most of its residents Fans of Jessica Jones and post apocalyptic fiction will love Serena McKay s Crime Novels Serena has suffered from devastating emotional and physical abuse first as a child and then during her career with the Police Department You d think it would have made her bitter but it didn t Instead it made her a little crazy in relatable ways and despite that flaw and others she continues to do her job with bravery Serena McKay caught The Cellophane Killer in Purple Kitty Book 1 however she gets a freaky message that blows her mind He s coming for you It could have only come from one person Did this notorious serial killer escape from the Supermax Prison Is he really back If he is back can Serena finally put him away for good this time Author warning Emotional triggers of all kinds Language Alcohol and drug use Physical and emotional abuse     *A Beginner's Guide to Visualization* Chariss K. Walker, Not so cute and cuddly It s not a cozy mystery It s not like any crime story you have read Serena McKay P I lives in a post apocalyptic dystopian time where the rich get richer and the poor are homeless Existence in August City is nightmarish at best and disastrously chilling at worst Serena has suffered from devastating emotional and physical abuse but she continues to do her job despite it Fans of Jessica Jones and post apocalyptic fiction will love Purple Kitty As a strong albeit dysfunctionally flawed private investigator Serena uses every weapon in her arsenal to solve bloodcurdling crimes in this hard boiled dark fiction dystopian thriller series while a notorious serial killer is after her green eyes Can Serena catch The Cellophane Killer who slaughters women with green eyes and then wraps them up in cellophane like a sandwich for her to find Will she catch him or will he catch her Find out now It s not like any crime story you have read before Authors Warning Language Sexual abuse murder violence drug alcohol use triggers of many kinds Rated R     Kaleidoscope Chariss K. Walker, A B R A G Medallion Winner Kaleidoscope is the first fast paced captivating novel in The Vision Chronicles 8 book psychic and romantic suspense series 5 Stars Couldn t put it down This book captured my attention immediately Can t wait to start the next book in the

series Mike Lewis is a man with a secret that he doesn't want to share The life of the 44 year old geophysicist is one that most would envy He's handsome well paid and well traveled but he can't tell anyone about his psychic ability Such an admission would put him and anyone he told in harm's way He has always wanted a loving relationship like the one his parents had but he refused to enter into a committed relationship like that without being completely honest Can he find a woman to love who will accept his paranormal ability and keep his secret He wants that more than anything else and his biological clock is ticking After spending fifteen years denying his gift of visions in silence he can no longer cope with keeping this secret While home after his latest job assignment he decides to confide in Nelson a psychiatrist friend of 25 years Nelson recommends that Mike keep a journal and passively observe the visions rather than being part of them This exercise allows the pair to explore the visions in a controlled setting However shortly after confiding in Nelson all hell breaks loose Mike learns that his home and electronics are bugged His friends are in danger A young woman dies After two failed abduction schemes and not knowing what else to do Mike decides he must learn to protect himself He studies close combat fighting techniques with the determination to fight as long as he can and then run A cliffhanger from the start this book is a great beginning to a suspenseful series Benedict Stuart Author of *The Proximity of Stars*    *A Medium's Engagement: A Cozy Ghost Mystery* Chariss K.
