Here is what people are saying about Winegar Reflections. It has brought to mind pleasant, humorous, and melancholy memories we had put in the back of our mind. This brought them out. Sharing times that we are for the most part all familiar with Janis Felts. Some of the stories are so funny that I just couldn't help myself but to sit here and laugh my head off. Other stories triggered long forgotten memories. Dorothea Gerovac I can picture the old woman sitting in a lazy boy talking about the Mill. I can see the young kids smoking and the panic when they discover the fire. David Shapiro Very cool I love the way you tell stories. Steven Finnegan    **Taliesin Reflections** Earl Nisbet, 2006 During the Great Depression there were few clients coming to Frank Lloyd Wright for designs so he turned to writing and lecturing. In 1932 he and his wife, Olgivanna, began the Taliesin Fellowship where 30 apprentices came to live and learn from the most influential and imaginative architect of the Twentieth Century. Earl Nisbet was one of those apprentices and Taliesin Reflections relates some of the day to day activities that occurred in the Taliesin Fellowship.
