**Yvonne Blackwood**

## **Will That Be Cash Or Cuffs:**

*Will that be Cash Or 'cuffs?* Yvonne Blackwood, 2005 If you need a chuckle or two to lighten your day this book is it Look again if you think being a security guard is boring You never know what character is shopping next to you True tales from a city supermarket where shopping is easy A hilarious true story with a bizarre cast of characters that appear and disappear like Extra Terrestrials and their ingenious methods of stealing in a large supermarket chain The personal conflicts and challenges of staff who work for the organization don't make their lives any easier We laugh on one hand and empathize on the other when we meet Mrs Johnson the little old lady who wants to be soft and smooth and will stop at nothing to do so or Mrs Euphima Clarke who is as tall as she is wide with a voice to match Meet Wilbert Wiley an aged but modern day Don Juan who is obsessed with every female he sees They all collide in the supermarket everybody's meeting place Interwoven within the fabric of the story is the coming of age of Bobby Blackwood a six foot five college student who works parttime as a security guard to pay his college expenses

**Mortal Prey** John Sandford, 2002-05-13 Years ago Lucas Davenport almost died at the hands of Clara Rinker a pleasant soft spoken low key Southerner and the best hitwoman in the business Now retired and living in Mexico she nearly dies herself when a sniper kills her boyfriend the son of a local druglord and while the boy's father vows vengeance Rinker knows something he doesn't The boy wasn't the target she was and now she is going to have to disappear to find the killer herself The FBI and DEA draft Davenport to help track her down and with his fiancée deep in wedding preparations he's really just as happy to go but he has no idea what he's getting into For Rinker is as unpredictable as ever and between her old bosses in the St Louis mob the Mexican druglord and the combined sometimes warring forces of U S law enforcement this is one case that will get more dangerous as it goes along And when the crossfire comes anyone standing in the middle won't stand a chance Filled with the rich characterization and exceptional drama that are his hallmarks Mortal Prey proves that John Sandford just keeps getting better
