Charmed Life (Wildseed Witch Book 2) Marti Dumas, 2023-05-02 Inspired by creole traditions Charmed Life is the second book in Marti Dumas's fun middle grade contemporary fantasy Wildseed Witch series with an all BIPOC cast about a social media loving tween and witch After a summer of being the worst witch at a fancy witch school Hasani can't wait to get back to the peace and normalcy of Riverbend Middle where she knows all the rules and is destined to be captain of the Mathletes There are a few little hiccups to work out like how she's going to tell her best friend that she's a witch but even though the other two members of Hasani's coven have joined her friend group and her school there's no reason to think that eighth grade won't be smooth sailing that is until her former friend and fellow witch LaToya shows up LaToya starts trying to take her friends and make Hasani seem like the bad guy To make matters worse strange things begin happening around the school including a termite infestation and Hasani is sure that LaToya is to blame However when Miss Lafleur comes to visit to help deal with the termites and investigate the magic she helps Hasani to channel her powers and realize just how strong her magic has become But Miss Lafleur also isn't convinced that LaToya could have caused all this chaos on her own so Hasani sets out to prove it and heads to a magical market 3Thirteen to find the ingredients she needs to do so But in all her focus on proving she's right and learning more about her magic is Hasani losing sight of the people and things that are most important to her Includes a teaser chapter of Fortunes Frenemies Wildseed Witch Book 3 The Wildseed Witch series
