American Film in the Digital Age Robert C. Sickels,2010-12-08 This eclectic yet comprehensive analytical overview of the cataclysmic changes in the American film industry since 1990 shows how they have collectively resulted in a new era The Digital Age The American film industry has entered a new era American Film in the Digital Age traces the industrial changes since 1990 that have brought us to this point namely the rise of media conglomerates the proliferation of pornography through peripheral avenues of mainstream media the role of star actors and directors in distributing and publicizing their own pet projects the development of digital technology and the death of truly independent films Author Robert Sickels draws straight lines from the movies to music DVDs video games fast food digital on demand and more to demonstrate how all forms of media are merging into one He explores the irony that the success of independent films essentially killed independent cinema showing how it has become almost impossible to get a film released without the imprimatur of one of the big six media companies Fox Viacom TimeWarner Disney General Electric or CBS In the

end using recent popular films as examples he explains not only how we got where we are but where we're likely headed as well **Brand Protection in the Online World** David N. Barnett, 2016-12-03 The growth of the Internet has had a profound effect on the way business is carried out and has provided an unprecedented opportunity for third party individuals and organisations to attack brands with relative ease These changes have resulted in the birth of a significant and rapidly growing new industry that of online brand protection consisting of specialist service providers which can be employed by brand owners to monitor and prevent potential attacks on their brand **Brand Protection in the Online World** explains the full scope of Internet infringement and associated monitoring and enforcement options that are most relevant to brand owners and managers Covering crucial topics such as brand abuse counterfeiting fraud digital piracy and more **Brand Protection in the Online World** provides a clear and in depth exploration of the importance of and ideas behind the brand protection industry

Vertical File Index, 2005 **Fortune** Henry Robinson Luce, 2006-04 [The Rhetoric of the New Political Documentary](#) Thomas W Benson, Brian J Snee, 2008-05-23 **The Rhetoric of the New Political Documentary** explores the most visible and volatile element in the 2004 presidential campaign the partisan documentary film This collection of original critical essays by leading scholars and critics including Shawn J and Trevor Parry Giles Jennifer L Borda and Martin J Medhurst analyzes a selection of political documentaries that appeared during the 2004 election season The editors examine the new political documentary with the tools of rhetorical criticism combining close textual analysis with a consideration of the historical context and the production and reception of the films The essays address the distinctive rhetoric of the new political documentary with the films typically having been shot with relatively low budgets in video and using interviews and stock footage rather than observation of uncontrolled behavior The quality was often good enough and interest was sufficiently intense that the films were shown in theaters and on television which provided legitimacy and visibility before they were released soon afterwards on DVD and VHS and marketed on the Internet The volume reviews such films as Michael Moore's *Fahrenheit 9/11* two refutations of Moore's film *Fahrenheit 9/11* and *Celsius 41/11* Unprecedented The 2000 Presidential Election and George W Bush *Faith in the White House* films that experimented with a variety of angles and rhetorics from a mix of comic disparagement and earnest confrontation to various emulations of traditional news and documentary voices **The Rhetoric of the New Political Documentary** represents the continued transformation of American political discourse in a partisan and contentious time and showcases the independent voices and the political power brokers that struggled to find new ways to debate the status quo and employ surrogate independents to create a counterrhetoric

E-commerce Kenneth C. Laudon, Carol Guercio Traver, 2007 In today's evolving business environment E-commerce business technology society introduces students to the concepts and practice of electronic commerce. This book emphasizes the three major forces behind e-commerce: business fundamentals, technology, opportunities, and social issues. In every chapter, these three themes come alive with the discussion of e-commerce concepts in the areas of economics, marketing, and information technology, and with the presentation of real-world e-commerce business cases and stories. The result is a coherent framework for organizing a complex topic which promotes a clear understanding of how e-commerce is evolving.
