K and W Guide to Colleges for Students with Learning Disabilities Or Attention Deficit Disorder Marybeth Kravets, Imy F. Wax, 2003-09-02 Hundreds of thousands of students with learning disabilities head to college every year. The challenges seem endless. Aside from coping with difficulties in learning, students and their families face the daunting process of seeking out the right school for their specific needs. This indispensable resource includes: Advice from specialists in the field of learning disabilities; Learning disabled programs; admission requirements and graduation policies; Services available to learning disabled students at each college; tutors; note takers; oral exams; extended test time; and more; Policies and procedures regarding course waivers or substitutions; Names, phone numbers and email addresses of program administrators at each school; Strategies for finding the right program for each student's needs. In addition to the 338 schools profiled, a Quick Contact Reference List provides essential program information for another 1,000 schools. **8 Steps to Help Black Families Pay for College** Thomas Alexis LaVeist, Will LaVeist, 2003 How are you going to pay for college? With the costs of college these days, financial aid isn't an option; it's a necessity. But how do you know you're getting everything you deserve? Eight Steps to Help Black Families Pay for College walks you through this daunting process. Inside, you'll learn how to: Get a handle on the financial aid process; learn about loans, scholarships, grants, and work study programs; Approach financial aid with the right attitude and make debt work for you; Choose the right school and understand how cost factors into college selection; Utilize long and short term strategies to get the maximum aid you need; Assess and respond to financial aid offers; Pay back loans responsibly. You'll also gain insight into how the government and colleges determine your expected family contribution (EFC). As a bonus, you'll discover the role affirmative action plays in the admissions decision. We've even included real life stories to help you avoid financial aid gaffes and pitfalls. Learn how to make informed action pay off now and in the long run, so that one day you can give back to your alma mater and your community. *The Other College Guide* Jane Sweetland, Paul Glastris, Staff Washington Monthly, 2015 From the award-winning insiders at Washington Monthly, an essential handbook that demystifies and illuminates the American college process for the rest of us: a new kind of college guide chock full of the hard-to-find information that students and parents really want to know. *America's Best Value Colleges* Eric Owens, Princeton Review (Firm), 2004-03-15 This informative guide profiles 77 schools that not only charge less in tuition but are more likely to help students with financial aid, scholarships, and grants. **The Best Northeastern Colleges** Princeton Review (Firm), 2003 The Truth About Colleges from the REAL Experts: Current College Students. Inside this book, you'll find profiles of 135 great colleges in the Northeast, including schools you've heard about and great colleges that aren't as widely recognized. There is simply no better way to learn about a college than by talking to its students, so we asked thousands of them to speak out about their schools. Sometimes hilarious, often provocative, and always telling, the students' opinions will arm you with rare insight into each college's academic load, professors, libraries, dorms, social scene, and more. **Guide to Your Career** Alan
