Dear Ms. Johnson,

As the Vice-President of Finance and Operations at a national food chain, I bring proven success in enhancing productivity and gaining an advantage when it comes to profit margins. My work spans companies and business units at varying stages of growth, from start-up to multinational organizations.

With over 20 years of achieving profitability and long-term growth, I seek to monitor budgets and sales numbers closely to identify areas for improvement. I am known for enhancing performance through technology up-grades, implementing best practices, and improving employee training protocols.

Examples of my achievements include:

- Drove successful launch of start-up organization through contemporary hiring practices, defining product implementation, and developing go-to-market strategies to achieve 50% margins and \$15M+ revenue within my first three years.
- Managed daily operations of a \$100M+ consumer goods department that introduced a complete line of products to the U.S. and Canada, improving profit margins by 14%.
- Proved a vital team member that conducted a complete leadership reorganization that resulted in a 10% improvement in productivity within the sales department and a 15% improvement within the technical team.

As a skilled professional with a CPA degree and a background in analyzing and improving sales numbers, I am confident I will prove an asset to your company and respectfully submit my application for your review. I would like to request a meeting to discuss how I can help meet your goals. I am available at your convenience and hope to hear from you soon.

Thank you for your consideration.

Sincerely,  
John Doe
