America today is a shadow of what it once was Over the past forty years people have turned away from God and instead accepted the flawed view that morality is subjective and personal As a country we have discarded the idea that there is an absolute right and an absolute wrong This is spread through our universities where students learn only the scientific perspective without completing their education in religion and morality This has created untold social problems from the 2008 market crash to the widespread abuse of drugs and alcohol The Selfish America looks closely at the transcendent reality of absolute morality and how it can be used to reestablish the word of God in our country With these steps we can save America and reestablish our moral foundations This can only be done through acknowledging that there is a transcendent physical reality a transcendent intellectual reality and a transcendent moral reality in God Library Literature & Information Science ,2008 An index to library and information science literature **Boys' Life** ,1980-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting Forthcoming Books Rose Arny,1999 **The Times Index** ,2000 Indexes the Times and its supplements The Saturday Review of Politics, Literature, Science and Art ,1921 *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1921
