Goodreads Choice Apple Music Compare:

Stuck On You Monica Walters, 2023-01-24 Life can be hard to navigate at times but for Lazarus Mitchell it's been a constant battle. Marrying his high school sweetheart and putting his dreams on hold to help her fulfill hers, he kept pushing through life's adversities in hopes of seeing better days. Throughout the journey, he realized that she didn't have the tenacity he had or the wherewithal to look difficulty in the face and choose to overcome it. Feeling heavily depressed and discouraged for the first time in his life, he worries that despair will overtake him. So he chooses to begin anew. He enrolls in college, determined to fulfill the dreams he put on hold. He hires a tutor to help him get acclimated once again, and upon first sight of her, he realizes that love hasn't given up on him. Kiana Sol Jordan is a matriculating graduate student on the campus of Lamar University. She loves science, but chemistry sparks her interest the most, and her love for the subject makes her want to help others understand and love it too. Tutoring is gratifying and constantly makes her smile, but when a more seasoned student requests her tutelage, she feels a lot more than gratification. The fact that he's twelve years her senior does nothing to diminish her attraction to him. For once, she wants to take a chance on something not so safe, and the excitement of that has her feeling things she never thought possible. Lazarus has a lot of baggage to let go of, and Kiana wants to help him along during the process. But that decision isn't welcomed by the most important people in her life, causing her to question her actions more than she should. Kiana wonders if love is worth her ignoring her parents' and sister's warnings regarding her new relationship, while Lazarus wonders if choosing love is worth the adversity that will come with it. Can Kiana cut ties with her family to choose the ultimate love? Can Lazarus's ability to love be resurrected and strengthened enough to cause him to become the warrior he once was?

Young Adult Resources Today Don Latham, Melissa Gross, 2014-05-21 *Young Adult Resources Today* Connecting Teens with Books Music Games Movies and More is the first comprehensive young adult library services textbook specifically written for today's multidimensional information landscape. The authors integrate a research-focused information behavior approach with a literature-focused resources approach and bring together in one volume key issues related to research theory and practice in the provision of information services to young adults. Currently, no single book addresses both YA information behaviors and information resources in any detail; instead, books tend to focus on one and give only cursory attention to the other. Key features of this revolutionary book include its success in integrating theory, research, and practice; integrating implications for practice throughout the book; integrating knowledge of resources with professional practice as informed by research; integrating both print and electronic formats throughout within the resource chapters, including websites and social media. Latham and Gross accomplish all this while paying particular attention to the socially constructed nature of young adulthood, diversity, YA development, and multiple literacies. Their coverage of information landscapes covers literature with detailed coverage of both genres and subgenres, movies, magazines, web sites, social media, and gaming. The final chapter covers navigating information landscapes, focusing on real and virtual YA spaces.
