There's a gap in Evie's memory lost months of her life and a lingering sense that something happened something she can't remember and nobody is willing to tell her. Her search for the truth brings her ever closer to Luc the Origin at the center of it all. He's powerful, arrogant, inhumanly beautiful, extremely dangerous and possibly in love with her. But even as Evie falls for him she can't help but wonder if his attraction is to her or to the memory of a girl who no longer exists. How he managed to survive and why people continued to fear his name a thousand years later has always been a mystery until now. From the three-time New York Times best-selling author Michael J. Sullivan, *Esrahaddon* is the final novel in *The Rise and Fall* trilogy.
