Kari Lynn M.,2024-06-01 Some people just don't know how lucky they are Including Emma Lenford who's just lucky enough to vomit on international television win a trip to Wisconsin's worst kept vacation hotspot and even find out that she's related to some very infamous faces Despite her newfound luck Emma struggles to find a way to gain control of her life She's fully convinced that she's been somehow cursed and she has to figure out how stop the tragedies that keep befalling her before they get a little too out of control Although once you've been trapped and tortured via the ultimate atomic wedgie in a goat barn decorated with severed human body parts maybe things have already gotten too far out of your control Emma Lenford is truly the unluckiest 17 year old on the planet She keeps her sense of humor though through this series of seriously ill fated situations Her life is basically a sit com where one traumatic thing after another befalls her and it's all out of her control She's constantly kidnapped held at gunpoint and even arrested for things she honestly didn't even do Follow her as every supposedly lucky
