president and is riding high having just secured a massive donation from billionaire Don Walker and his socialite wife Patricia. Don and Patricia are philanthropists, media darlings, and the owners of Villa Ros, a newly built modern glass house that everyone is talking about. It's either spectacular or a tacky eyesore depending on how you feel about billionaires. Enter Melody Howard, a wide-eyed transplant from Wichita, Kansas. At first, a skeptic about Miami Beach and its endlessly hashtaggable social scene, Melody finds herself sucked into the glossy, frenetic world of Sunset Academy moms. Melody's easygoing manner and background in nonprofit management make her an asset to the PTA. But when she emerges as a rival for the PTA presidency, Charlotte begins to unravel. Even the most powerful players on the social scene prove to be vulnerable when an investigation into white collar crime, triggered by another school mom, the formidable Jamaican American Judge Carol Lawson, threatens to take down the whole institution. No amount of ros can soothe tensions as the drama builds to a shocking crisis point. Told in rotating first person voices, *Pink Glass Houses* is an irresistibly voyeuristic peek into the lives of the rich and infamous where cocaine playdates, 100,000 kiddie birthday parties, and relentless social climbing are a way of life. Asha Elias takes us on a wildly entertaining journey into the seamy underbelly of Miami Beach, the glamorous cutthroat, scandalous, and sometimes deadly world of I'm not making this up elementary school fundraising. New York Times bestselling author Dave Barry.

Over the Influence Kara Alaimo, 2024-03-05 A feminist rallying cry for women to recognize and reject the ways social media is being weaponized against us and instead wield it to empower ourselves. Actionable solutions for women, parents, and educators to fight online disinformation, sexism, and misogyny so we can create healthier digital spaces for girls and teens. In *Over the Influence*, communication professor and CNN Opinion contributor Kara Alaimo reveals how social media is affecting every aspect of the lives of women and girls, from our relationships and our parenting to our physical and mental well-being. *Over the Influence* is a book about what it means to live in the world social media has wrought, whether you're constantly connected or have deleted your accounts forever. Alaimo explains why you're likely to get fewer followers if you're a woman, how fake news is crafted to prey on women's vulnerabilities, why so much of the content we find in our feeds is specifically designed to hold us back, how social media has made the offline world an uglier place for women. But we can change this. Alaimo offers up brilliant advice for how to get over the influence, including how to handle our daughters' use of social media, tips for using dating apps to find the partners we're looking for, how we can use social networks to bolster our careers, ways to protect ourselves from sextortionists, catfishers, and trolls, what we need to demand from lawmakers and tech companies. *Over the Influence* calls on women to recognize and call out the subtle and not so subtle sexism and misogyny we find online, reject misinformation that is targeted to us because of our gender, and use our platforms to empower ourselves and other women.
