Digital Femininities Frankie Rogan, 2022-07-01 Digital Femininities The Gendered Construction of Cultural and Political Identities Online examines the role of new media technologies in the production of girls cultural and political identities The book argues that the varied and

complex spaces which make up our social media should be conceptualised as important terrains upon which neoliberal and postfeminist subjectivities can be both reproduced and subverted In doing so the book explores many key issues underpinning current debates around gender politics and digital media including gendered spatial politics visibility surveillance and regulation beauty politics and civic and political engagement and activism Over the last decade the position of girls and young women within the digital landscape of social media has been a topic of much debate On the one hand girls social media practices are presented as a key site of concern wherein new digital technologies are said to have produced an intensification of individualised neoliberal and postfeminist identities Conversely others have championed access to social media for young people as a potentially useful political tool enabling previously marginalised political subjects such as girls to access and participate within new and exciting political cultures Locating itself at the intersection of these two approaches this book offers a fresh contribution to these debates Based upon the findings from focus groups with girls and young women aged between 12 and 18 in England the book offers an in depth analysis of the digital cultures that emerged from the study This timely book will be essential reading for anyone interested in contemporary femininity and feminism and the role of digital media in the production of cultural political and gendered identities

Getting Started on Instagram Donald Gregory, 2022-02-15 Instagram s popularity has skyrocketed in recent years It is now the most popular social networking site and it continues to grow in popularity Besides Instagram is a terrific method to keep up with what your friends and favorite brands are up to on a daily basis Instagram which was purchased by Facebook in 2012 and has over a billion registered accounts has become a part of daily life From tiny businesses to large corporations news organizations to cultural institutions celebrities photographers and artists not to mention the cottage industry of influencers that has sprung up in its wake it appears that everyone is on Instagram these days One could argue that Instagram is unlike any other social media platform The platform is nearly exclusively based on sharing photos and videos rather than words This visual twist is one of the reasons Instagram has grown into the cultural behemoth it is today Instagramming is now a verb If you ve ever wondered how to best manage an Instagram account there are a few basic rules to follow to ensure that your Instagram photographs and Instagram stories go viral If you want to start a profile right now you ll need an Instagram tutorial to get you started We ll go over the recommended practices that any Instagram business account runner should be aware of in this beginner s tutorial We ll have your brand feed ready in no time from setting up your profile to providing content and building your audience
