The book is enriched with the author's real world experience and expert advice saving you precious time and effort by learning from others' mistakes and successes. Strategies presented help to decrease time to market and increase the efficiency of web applications

Better Than Friends Jill Shalvis, 2025-01-21 Old flames reignite in Sunrise Cove in this charming enemies to lovers second chance small town forced proximity love story about family friendships and true love from New York Times bestselling author Jill Shalvis. When Olive Porter's off the grid, parents go missing, she reluctantly seeks out Noah Turner, her ex and the only person she both trusts implicitly and not at all. As a special investigative agent for the National Park Service, Noah's used to living under intense pressure. Or he was until he got injured on the job. Now, unhappily recuperating at home while being smothered by his loving but nosy family, he'd love nothing more than a good distraction. So when Olive shows up looking like a million bucks, he has to do a gut and heart check. Because, nope, no matter what he can't fall for her again, the woman who once blew up his entire life and never looked back. How ironic, then, that his own personal hell, Olive, is also his ticket out of town. The question is, will the risk be worth the reward?
