Entertainment Design ,2001 **Fish Sticks** Peter Botte,Alan Hahn,2003-04 Once upon a time the New York Islanders were the embodiment of greatness four time Stanley Cup champions and a model franchise in the National Hockey League during the early 80s The dynasty quickly crumbled however and the team found itself in a seemingly never ending freefall One embarrassing episode after another befell the once mighty Islanders Kirk Muller balked at being traded to the team the team s classic logo was replaced with one that was vehemently ridiculed earning the team the nickname Fish Sticks a slick con artist managed to buy the team with nothing more than his charm the team failed to make the playoffs seven seasons in a row as miserly owners purged players salaries Hall of Fame great Bryan Trottier feuded with the team and blocked the retirement of his jersey embattled general manager Mad Mike Milbury couldn t do anything to get himself fired Yet having finally hit bottom after enduring countless trials and near unbelievable tribulations the team has begun its climb to the top New owner Charles Wang has brought not only a desire to return the Islanders to their place of pride but also the money to do it The team experienced a remarkable resurgence during the 2001 02 season Ticket sales have skyrocketed since that breakthrough success with the team expecting to fight its way back into the playoffs for a second straight season

Computer Decisions ,1984 The California Golden Seals Steve Currier,2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in Oakland into hockey s traveling circus The team lost tons of money and games cheated death more often than Evel Knievel and left behind a long trail of broken dreams Live seals were used as mascots players wore skates that were painted white on an almost daily basis and draft picks were dealt away nonchalantly like cards at a poker game The California Golden Seals examines the franchise s mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland Through a season by season narrative Currier brings to life the Seals history with lighthearted anecdotes personal interviews and statistics about hockey s most infamous losing team *The Toronto Maple Leaf Hockey Club* Kevin Shea,Jason Wilson,2016-10-18 Published in partnership with the Toronto Maple Leafs and officially licensed by the NHL this is the one and only official Toronto Maple Leafs Centennial publication The Toronto Maple Leafs are one of the most storied franchises in all of sport and without question the most recognized team in all of hockey Through this journey of a hundred years of Maple Leaf hockey fans will read of ups and downs triumphs and tears laughter and laments This publication tells the Leafs complete history and introduces fans to coaches as well as such legends as Apps and Armstrong Kennedy and Keon Broda and Bower Salming and Sundin but also players who wore the Blue and White and left far more modest legacies It takes fans to Toronto s first game the construction of Maple Leaf Gardens and subsequent move

to the Air Canada Centre It celebrates Toronto's Stanley Cups and Hall of Fame players and demonstrates that through each exciting season the Toronto Maple Leafs have forever remained our team and enjoyed the incredibly loyal support of a nation of fans Published in complete partnership with the Toronto Maple Leafs and scheduled to release as the Leafs enter their 100th season this official centennial publication includes contributions from many of the biggest names in Leaf history Author Kevin Shea gained unprecedented access to players past and present as well as team executives to offer this book the most compelling informed and accurate portrayal of Toronto's historic hockey team and their important place in both the world of hockey and the culture of Canada Combined with incredible archival photographs and a truly incredible design this is the definitive and must have book for fans of the Blue and White **Hockey** Jenny Ellison, Jennifer Anderson, 2018-04-25
