Kain,2009-05-11 From the Prologue of Sweet Tempo Call me Stephen Please Mom and dad call me Little Stevie an embarrassment made worse by the fact that there is no Big Stevie in our family unless you consider Uncle Steve who we haven t seen since my first communion My dad Leopold by the way named me after one of his army buddies who died in the Pacific campaign of WWII I think he wanted me to be Little Stevie reincarnated or something I often disappointed him It s just as well that he didn t call me Little Leo But it s having the Little attached to me all my life that gave me twitches I always wondered when I would grow up I thought it might happen when I first went to college but my mom s letters and phone calls spread the name through all the dorms and hallways It took a major decision the only one at that for me to step out of Little Stevie s pantaloons and into gabardine trousers of adulthood although I really don t know what gabardine is for I still wear denim When I decided that I had enough of college and wanted

to travel they surprised me by not arguing At that point I wasn't sure if I had made the decision or they had but once they set me free I was cornered into going Decisions do not come easily to Little Stevie so it was with great ironies and twists of fate that this decision would lead me to this My trip began as an adventure and this book a travelogue But as Providence would have it it soon became a romance and then some twisty sort of unromance then I wish it never happened a tragedy The reader I hope sees a comedy in tragic guise the irony is there to taste Much that is written here need not have been written my preference is that none of it occurred At this point much seems like a nightmare within a dream and in fact the dreams I had while on this trip were as real as sin You'll see There are times that I wonder if it happened at all But the story here needs to be told if only to honor the memory of love lost Perhaps the story will entertain but it also serves as therapy and treatment for the tragic minded and chronically romantic I wonder now if this is what it means to grow up

**Dallas** Kathi S. Barton,2023-11-20 From the moment Amy found out her brother was running for the presidency of the United States she moved out of the family home and changed her last name She loved her brother but she didn't love the limelight All she wanted was freedom The freedom to live her life the way she wanted without being in the shadow of the Secret Service all the time Taking pictures was her passion and that's what she would do and no one would stand in her way Amy had taken a lot of great shots of the animals at the zoo but if one more person asked her if she had permission to be there she would scream She just about had her camera in focus when another zoo employee approached her He introduced himself as Dr Dallas Dixon and instead of being upset with her he wanted her to take some pictures of a gorilla who had just given birth but the baby wouldn't live It didn't take long for Amy to realize that Dallas was a shifter and silverback to his troop You're the silverback The leader to her I don't know how that works but you're a shifter Gorilla shifter and leader That's why that other man said that you could order her to do Christ oh mighty Oh fucking no She turned her entire body and looked at the man sitting not ten feet from her You are not telling me that you have it in your impossibly small mind that I'm whatever they call a silverback's mate are you No Don't answer that I don't need to nor do I want to know *Ethan* Kathi S.
