Absolute Essentials of Business Ethics Peter Stanwick, Sarah Stanwick, 2020-11-19 This shortform textbook explores practical applications of how business ethics impacts working lives allowing readers to reflect on their own moral compass through the use of ethical dilemmas. Highlighting the extensive breadth of issues related to business ethics the authors introduce and analyze ethical and unethical behaviors of firms through numerous real life examples including Patagonia, Costco, LVMH, Bill Gates, Muhammad Yunus, Enron, WorldCom, Samsung, Purdue Pharma, Vale Mining, and the COVID 19 crisis. Regardless of career path or occupation **Absolute Essentials of Business Ethics** is a valuable resource to understand why people make decisions based on their own ethical values and beliefs. Useful at both undergraduate and graduate levels this unique textbook will serve students of business ethics around the world.

How Small-to-Medium Enterprises Thrive and Survive in Turbulent Times Yiu Ha Chu, Kosmas Smyrnios, 2018-07-27 Political and financial upheaval is not a new phenomenon from the tulip bulb bubble in the Netherlands in the seventeenth century to Black Monday in 1987 businesses throughout history have worked to adapt and cope. However today's climate is even more fraught with crises raising the levels of concern for business, society, and governments. It especially poses a challenge for small businesses who have to learn to cope with this increasingly turbulent environment dealing with the difficulties and taking advantage of the new opportunities that turbulence can provide. Understanding how resilience capabilities can be developed to promote sustainable business is imperative. This book provides a new paradigm for conceptualizing resilience capabilities and advances current understanding both theoretically and practically in real world business settings. Examining the processes of resilience during different phases of crisis reveals why businesses either fail or outperform their counterparts during times of turbulence. Based on in depth empirical research researchers and advanced students in small business strategic management and risk management will find this an invaluable guide to organizational resilience.

Building Leadership Character Amy Newman, 2018-03-28 Extending beyond traditional leadership books to offer readers a path for developing their own character this compelling new text uses a storytelling approach and real world cases to explore different dimensions of leadership character. With a clear student friendly writing style bestselling author Amy Newman deftly captures various approaches in which corporations and people respond to situations in difficult times and learn from mistakes. Using real companies and situations each chapter examines a leadership character dimension such as accountability, integrity, authenticity, and courage. Readers will learn to develop their own character, emotional intelligence, and leadership skills as they engage with assessments, reflection opportunities, and exercises.
