These activities are demanding procedures that for some solutions require multiple separately managed systems. The flexibility of IBM System Storage N series storage systems however allows them to address the storage needs of a wide range of organizations including distributed enterprises and data centers for midrange enterprises. IBM System Storage N series storage systems also support sites with computer and data intensive enterprise applications such as database data warehousing, workgroup collaboration and messaging. This IBM Redbooks publication explains the software features of the IBM System Storage N series storage systems. This book also covers topics such as installation setup and administration of those software features from the IBM System Storage N series storage systems and clients and provides example scenarios.

Autodesk 3ds Max 2018: A Comprehensive Guide, 18th Edition Prof. Sham Tickoo, 2017-08-29 Autodesk 3ds Max 2018 A Comprehensive Guide aims at harnessing the power of Autodesk 3ds Max for modelers, animators and designers. The book caters to the needs of both the novice and the advanced users of 3ds Max. Keeping in view the varied requirements of the users, the book first introduces the basic features of 3ds Max 2018 and then gradually progresses to cover the advanced 3D models and animations. In this book, two projects based on the tools and concepts covered in the book have been added to enhance the knowledge of users. This book will help you unleash your creativity thus helping you create stunning 3D models and animations. The book will help the learners transform their imagination into reality with ease. Also, it takes the users across a wide spectrum of animations through progressive examples, numerous illustrations and ample exercises. Salient Features: Consists of 18 chapters and 1 project that are organized in a pedagogical sequence covering various aspects of modeling, texturing, lighting and animation. The author has followed the tutorial approach to explain various concepts of modeling, texturing, lighting and animation. The first page of every chapter summarizes the topics that are covered in it. Step by step instructions that guide the users through the learning process. Additional information is provided throughout the book in the form of notes and tips.
