Spiritual Gifts: High School Study Jim Burns, Doug Fields, 2008-08-01 Adolescence can leave a young person feeling particularly ungifted as if they don't fit in anywhere. But that's not what God has in mind. He has given every believer young and old unique spiritual gifts to build up His body. In Spiritual Gifts Jim Burns and Doug Fields noted leaders in youth ministry take high school students through a study of the spiritual gifts listed in Scripture and then work through an exercise to help them discover their own gifts and how to use them. Watch teens come to life when they discover that they are gifted and have much to offer the body of Christ. Inside the book you'll find a special download link for additional reproducible student handouts and options for every session to tailor each study to your group's unique needs. Sharing Your Faith & Serving Others: High School Group Study Jim Burns, 2011-05-09 Teens have a reputation for being self absorbed and all about me but most of them care deeply about God and others and just wish they knew how to show it. With Sharing Your Faith and Serving Others Uncommon High School Group Study you can equip the students in your group to make a difference in the world by seeing others as Jesus sees them. Teens will learn how to use their gifts in service to others, how to lead their peers with gentleness and compassion and how to share their faith by being an encouraging generous friend. These 12 sessions of youth friendly Bible study are the newest edition to the Uncommon curriculum series created by veteran youth minister Jim Burns. Action packed fun activities and insightful discussion outlines will get your teens thinking about the Great Commission and the Great Commandment and talking about how they can follow Jesus in love and obedience. Inside the book you'll find a special download link for additional reproducible student handouts and options for every session to tailor each study to your group's unique needs. **Beyond Church Growth** Robert E. Logan, 1989 What goals has your leadership team set for your church's future? A 20 percent increase in your attendance? To double your present membership? What about planting new churches in neighboring communities and beyond? Based on God's vision for churches in Matthew 28:18-20, Robert Logan presents sound methods for making disciples, winning the lost for Christ, and planting new churches. He introduces ten principles for church growth, taking you through the action steps necessary for implementing each one and providing the means for evaluation and correction. Robert Logan extends to you this exhortation: If we take seriously the message of Ephesians 3 here's the exciting news: Our cup can never be too large to contain the blessing that God is able to pour upon us. The promise is that God is able to do immeasurably more than all we ask or imagine. Take God at His Word. Ask Him for a new vision for the ministry. He's given you. Then watch God work as never before as He leads you. Beyond Church Growth Book jacket. Dissertation Abstracts International, 1993-06. Essentials for Life After High School Dwayne C.
