Spiritual Warfare Jhordan Solomone,2014-10-28 The war is on We wrestle not against flesh and blood but against principalities against powers against spiritual wickedness in high places The bible says that as Christians we should think it not strange regarding the fiery trials that we sometimes undergo as if something strange were happening to us This is my account of how the devil oppressed me in my mind for 8 long years It was the death of my last son that awakened me to the reality that behind all my failures and all my setbacks was satan himself It was at that point that I came to the realization that something was fundamentally wrong and I had to get to the bottom of it After seeking God with much prayer and supplication he revealed to me that the devil had been sent on assignment to steal kill and destroy me And he set out to do it through my mind For years I struggled with doubt fear guilt anger depression low self esteem and lack of self confidence Through a curse I had been set up for a lifetime of failure after failure and this was strategically designed for me to lose hope in God and to give up the Christian walk Read my account of how the devil oppressed me mentally and the steps that I took under the leading of the Holy Spirit to free myself from Satan s deadly grip Learn how you can recognize demonic oppression of the mind and the devices used by the enemy to oppress you You shall know the truth and the truth shall set you free

David Diga Hernandez,2016 We have been given authority over the power of the enemy *The Invisible War* Chip Ingram,2015-08-25 Some Christians believe strongly in the existence of demons and spiritual warfare Others downplay or even ignore the idea With such divergent views how are Christians supposed to know the truth about demonic

forces at work in this world The Invisible War examines what every believer needs to know about Satan demons and spiritual warfare offering a balanced look at this controversial subject This provocative book will help Christians understand what the Bible says about these threats and will show them how they can safeguard themselves and their families through prayer Now repackaged for a new generation The Invisible War offers a balanced look at what is going on in the spiritual realm and what believers can do to defend themselves Fighting in Faith A. Barlow, 2015-10-28 Fighting In Faith is written with two primary objectives First this book demonstrates how to utilize the Holy Bible to teach God s eternal truths about how Satan and his demons operate in our daily lives whether we believe it or not Second this book provides very practical means by which to both activate and operate our faith in God to engage and completely conquer demonic forces through Bible based Spiritual Warfare There are many great books on Spiritual Warfare Healing and Deliverance Ministry putting on the armor of God and how to recognize demonic activity in our daily lives However there are few that concentrate on intensely practical and Bible based strategic means to LEARN and IMMEDIATELY APPLY in safe and successful Healing and Deliverance Ministry Unfortunately there are very few books that not only teach practical application strategies but also include actual testimonies from those who have been miraculously healed delivered and otherwise touched by God Who Should Read This Book Fighting in Faith is for Healing and Deliverance practitioners Evangelists Pastors and Christians who want to be bold or even bolder in their faith Has God gifted you in Power Ministry including the performance of miracles If so this book is specifically written for you If you have never operated in Power Ministry but believe God is guiding you to this area of ministry this book is for you too However if you are the type of person who simply likes to constantly learn biblical principles or new things about God but never motivated to put them into ACTIVE PRACTICE then I can assure you that this book is NOT for you Fighting In Faith is specifically written under the guidance of the Holy Spirit for those who earnestly desire to put feet to their faith by actively doing the Word of God as opposed to being forgetful hearers who only deceive themselves God faithfully promises to bless each and every one who looks into the perfect law of liberty and continues in it and is not a forgetful hearer but a doer of the work James 1 25 Ask yourself right now Am I a doer of God s will or am I a forgetful hearer As moved by the Holy Spirit of Christ Jesus Fighting In Faith provides sound biblical instruction and hands on practical strategies that have already been successful in conducting Spiritual Warfare even under seemingly insurmountable circumstances Deliverance Ministry is spiritual cleansing from the negative and soul damning presence power and influences of the world the flesh and demonic spirits Demons are disembodied malevolent spirits specifically sent by Satan to steal and to kill and to destroy John 10 10a every good thing God has ordained for mankind This is especially true with respect to eternal salvation of the soul Mankind is locked in an eternal battle with a trifecta of an enemy the Holy Bible identifies as the World the Flesh and the Devil Deliverance Ministry is simply having an ever present Bible based understanding that as we go about our normal lives at work in vocational ministry or the marketplace there will be opportunities to put the Word of God

into active practice This is often accomplished by laying hands on the sick for healing and casting out demons for deliverance from satanic or demonic powers or influences Has God in some way stirred up your spirit to be interested in this very powerful ministry One caveat Everything in this book presupposes that you have FAITH Belief Trust in Jesus a desire to OBEY God regardless of what others think have been filled with the Holy Spirit and have already been delivered from Doubt Fear Pride and Unbelief If you do not meet all of these qualifications please do not try to perform anything written in this book until you have done so Otherwise you will be effectively playing with Hell Fire at the risk of your soul being eternally separated from God in the Lake of Fire Spiritual Battles Anthony Langmartey, 2019-07-22 Beloved we are in a world of spiritual warfare and our very lives are at war Are you winning or losing The truth is that many people are losing more battles than they are supposed to win Many losers are enduring it because they don t recognize the enemy when they see it Moreover many people have no idea how to respond Your antagonist is not the problems you see such as frustrations depressions dysfunctionalities a broken marriage addiction diseases illness or financial troubles just to mention a few These are just the symptoms not your enemies Your battle is against your true enemies Satan and his followers demons spirit wives and husbands perverse spirits marine spirits sorcerers witches wizards etc Nevertheless Satan and demons are not afraid of a mere human like you so how are you supposed to fight More importantly how are you supposed to win While society and men of God tell us we can simply react the truth of the matter is that a common wish hope and prayer aren t the best responses to attack our enemies You have to be strategic and tactical in your reactions to your enemies Learning how to fight biblically and effectively is the key to winning the battle over your enemies In the Spiritual Battles How to Win Your Battles Over Satan and demons you will discover The devices or weapons of Satan and demons Why Satan and Demons hate us When did our war begin with Satan The two most powerful weapons that were used to cast Satan and his angels out of heaven and how you can also harness their power to win your battle over Satan and demons here on earth in order to be set free The three levels of spiritual power and how you can tap into the second or third level for a total victory The weapons that are capable of destroying the great leviathan Satan You will learn how to use these weapons for your advantage The efficacy and effectiveness of the weapons of the Saints and the right way to use them for your victory Powerful words to battle Satan and all demons to victory There is a powerful enemy out there to destroy you You are on the battlefield so you can t escape the war This spiritual war has crucial consequences in your everyday life and its outcome will depend on whether you win or lose the war Satan and demons are not just mere human beings that can be whipped with just a mere cane To engage Satan and Demons you need guidelines to win your battles over them This book provides the guidelines to win your battles over Satan and demons This book will prepare you for the battle Spiritual Battles are best fought with the right weapons and as a result courage replaces fear and victory takes the place of failure The Holy Scripture says Fight the good fight of faith lay hold on eternal life whereunto thou art also called and hast professed a good profession before many witnesses 1 Timothy 6:12
