[Broader, Bolder, Better](#) Elaine Weiss, Paul Reville, 2021-02-23 In Broader Bolder Better authors Elaine Weiss of the Broader Bolder Approach to Education campaign and Paul Reville former Massachusetts secretary of education make a compelling case for a fundamental change in the way we view education. The authors argue for a large scale expansion of community school partnerships in order to provide holistic integrated student supports ISS from cradle to career including traditional wraparound services like health mental health nutrition and family supports as well as expanded access to opportunities such as early childhood education afterschool activities and summer enrichment programs. The book builds on nearly a decade of research by the Broader Bolder Approach to Education a national initiative endorsed by more than sixty policy experts and leaders from across the country and draws on the work of Harvard's Education Redesign Lab. It pulls from case studies of effective ISS efforts in twelve diverse communities to illustrate the variety of strategies that can be adopted locally. A call to action that also provides examples of communities that are successfully leveling the playing field for poor children this book offers a detailed vision for building through field work mobilization and financing comprehensive systems to prepare all children for success

*Breaking Through the Plate Glass Window—Prophetic Fragments* Michael Granzen, 2022-05-31 This is a selection of writings on themes of trauma and transformation hope and anguish in a time of reckoning. The first section offers biographical fragments about life after the bulldozer runs you over How do you get up How do you live with others who don't understand How do you keep walking They draw upon life experiences in Boston Iona and New Jersey. Faith is not so much about agreeing with doctrine but a dynamic active seeking questioning trust in God. It includes both audacity and humility. The second section draws upon fragments of historical reflection On Violent Innocence Mourning and Metanoia in New Jersey This is an exploration of the principality of white racism state based violence and exploitation of the poor. It asks the question How did the Confederate flag get in the front window of the Presbyterian church on Lincoln's birthday Some of the white terrorism that happened at the Capitol is prefigured here Yet there is grace hidden in judgment We cannot heal from what we do not name The third section contains fragments of prophetic wisdom from Lorna Goodison Richard Fenn Mike Gecan Karen Hernandez Granzen and Archange Antoine.
