## St Louis 1875 1940 Mo Postcard History Series:

*St. Louis* Joan M. Thomas, 2003 The beautiful city described by early 20th century picture postcard senders still exists. The vintage postcard images presented here take you on a tour of St Louis burgeoning days where you will revisit the grand architecture and neighborhoods of the early part of the last century. See Union Station in its original incarnation as a train station. Witness the grandeur of the 1904 World's Fair held at forever beautiful Forest Park. Plus savor the charm of the city's many other parks such as Lafayette Park the site where baseball was first introduced to St Louis. You will visit the thoroughfares of downtown St Louis before it became necessary to rebuild and renovate. Finally visit favorite places like Soulard Market which have thrived from the beginning maintaining a connection between the past and the present. *The American Philatelist*, 1983    **Railroadman's Magazine**, 1978    **Catalogue de la Bibliothèque Des Archives**

Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

**PICTORIAL ST. LOUIS: a Topographical Survey, Drawn from Perspective 1875** Rich. J. Compton, 2021-03  
PICTORIAL ST LOUIS The Great Metropolis of the Mississippi Valley A Topographical Survey Drawn From Perspective 1875  
Illustrations by Camille N Dry and designed and from the Insane Asylum on the southwest to the Cemeteries on the northwest Every foot of the vast territory within these limits has been carefully examined and topographically drawn in perspective by Mr C N Dry and his assistants and the faithfulness and accuracy with which this work has been done an examination of the pages will attest Absolute truth and accuracy in the representation of the territory has been the standard and in no cases have additions or alterations been made unless the same were actually in course of construction In a few

cases important public and private edifices that are not yet finished are shown completed and as they will appear when done All the buildings within the limits of the survey in July 1875 are shown and a very large number of those executed or commenced since that date have been also introduced the pages having been constantly corrected up to the last possible moment before publication    **Saint Louis, the Future Great City of the World** L. U. Reavis, 2017-10-20 Excerpt from Saint Louis the Future Great City of the World With Biographical Sketches of the Representative Men and Women of St Louis and Missouri In presenting the historical sketch Of St Louis I feel a laudable pride believing that it is the best yet published and that it will be so decided by the reader In the history of the city the greater attention has been given to that dim traditional period the record Of which is fragmentary and which therefore requires our efforts to preserve from that decay which follows all events inscribed only in the recollection Of men The records of our later history as a city have been too fully and voluminously kept to run the risk of oblivion and their elaboration is left to some future historian The statistics and facts which set forth the present advancement of St Louis in her material growth have been collected with care and are presented without exaggeration or any unnecessary ornament In their simplicity they are eloquent of a present full Of grandeur and a future glowing with brighter promise than the achievements of the past can even measure In that promise so plainly to be read so far on its way to fulfillment I see the consummation of my great ambition for the city of my home the city of my ardent hope and love About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
