**Photography in Advertising** Zuri Deepwater, AI, 2025-02-26 Photography in Advertising explores how photography evolved into a key element of consumer culture profoundly impacting brand identity and purchasing decisions It examines the history of photography s integration into advertising the psychological effects of photographic imagery and practical strategies for effective marketing Understanding photography s past informs its present applications while analyzing its psychological impact helps craft compelling campaigns The book argues that photography s power lies in constructing reality not just replicating it By manipulating composition and lighting advertisers create narratives that resonate emotionally For example lifestyle photography can evoke aspiration driving sales It begins with foundational concepts and progresses through practical aspects like product photography and digital marketing supported by real world examples and case studies This book stands apart by offering an interdisciplinary approach blending historical analysis psychological insights and practical strategies It uniquely emphasizes the ethical considerations surrounding photography in advertising urging readers to consider their social responsibility This comprehensive approach aims to equip marketing professionals students and entrepreneurs with the knowledge to leverage photography effectively while also encouraging consumers to become more discerning viewers

**Outgrowing Modernity** Vanessa Machado de Oliveira, 2025-08-12 The inevitable is coming fast We know it in our bones and it s past time to face it The highly anticipated follow up to *Hospicing Modernity* how we activate responsibility nurture care and grow up in the face of collapse includes reflections exercises and prompts Climate collapse social crisis the decline of modernity colonialism capitalism and our full faced denial have ushered in an urgent new era *Hospicing Modernity* asked us to grow up step up and show up for our communities and the living Earth *Outgrowing Modernity* helps us make sense of where we re going and deepen what s possible in a time of endings Vanessa Machado De Oliveira helps us face the logics and workings of modernity bringing us to clear eyed terms with its expiration She explores the impacts of colonialism as neurocolonization an oppressive function of modernity that rewires how we think act imagine and adapt These impacts are wide ranging and run deep they cut us off from our natural ways of building community and seeking pleasure They choke our ability to cope with trauma and embrace complexity And they trap us in a state of artificial comfort and denial that keeps us from collectively growing up even when our existence demands it This book invites you to interrupt 5 lies that neurocolonization instills in us beliefs and behaviors that have condition us to think we re owed the following regardless of others or the planet Moral and epistemic self righteous authority Unrestricted unaccountable autonomy Arbitrating truth law and common sense Affirming one s virtues innocence and purity Exploitative appropriation

and accumulation of various forms of capital In moving away from these ingrained worldviews we can choose instead to develop 4 capacities necessary to our and Earth s survival sobriety maturity discernment and responsibility Machado De Oliveira moves beyond critique into a praxis of strategic disinvestment one that invites us to recognize what no longer serves us and reinvest in nurturing structures and lifeways that restore our knowledge in the value of life for life s sake Fast Politics Laura Pérez Rastrilla,Pablo Sapag M.,Armando Recio García,2023-10-17 The goal of this book is to show the role of TikTok as a tool for political purposes To this end the authors analyse the messages posted on this social medium by political figures and institutions such as politicians and political parties their impact on political landscapes as well as the transformation of political communication techniques in order to suit the platform s features In the last two years the exponential growth of TikTok has led an increasing number of politicians and institutions to incorporate it into their communication strategies The platform displays some very different features from other social media that determine the way in which the content is presented In addition it manages to reach an audience that normally does not access or share political messages Within this context the volume pursues two main objectives First to examine how the communication techniques and the peculiarities of this social medium where short videos with actors in informal attitudes prevail affect the political message A second objective is to analyse the influence of the messages distributed through TikTok that redefine political scenarios and of the relationships of politicians and parties with voters The core of the book comprises case studies that are organised into three parts with nine chapters in all The authors are scholars and practitioners of political communication with diverse geographical representation who approach the topics from a range of methodological perspectives The first part addresses the state of the art and the influence of TikTok features on the way political communication is performed The second part discusses the influence of TikTok on electoral scenarios and political culture in India Bangladesh the United States and Ecuador Finally in the third part TikTok is analysed as an instrument for promoting far right politicians and parties in Europe as in the case of MatteoSalvini in Italy and AfD in Germany and Vox in Spain The volume is oriented to both scholars and communication professionals such as journalists communication consultants and speechwriters who want to become familiar with the platform learn about its political impact or wish to deepen their understanding of transformations in communication techniques and their adaptation to this growing social medium Chapter 2 The Moving Body as the Articulator Meme and Affective Link in Political Communication on TikTok is available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)
