101 Character Profiles Harold F. Burks

Ph. D., 2006-06-01 **MY SHORT STORIES** is a compilation of the many stories that have floated in and out of the author's mind for years Some of the characters are based on people she has known who have impressed her or inspired her Most are

strictly from her vivid imagination **MY SHORT STORIES** is the author's second book The first one **MY TOW**

GRANDMOTHERS EMMA AND SPARROW while fiction was based on two very different family personalities who were

important in the author's life Most of these stories share poignancy and humor a difficult combination sometimes but as the

author reveals very true to life as we know and experience it One example is the red haired girl in **The Funeral** She is a

delightful child similar to one that most readers have met Characters like **Starr** from the story **My Own Belle Starr** show an admirable strength of character Others like the doctors in **My Friend the Country Doctor** are people the reader will enjoy

meeting **The Tale of a Tooth** is a fantasy based on a real incident with a tooth and it will bring a smile to the reader In **My**

Grandmother's Boarding House **Emma** a character from the first book **MY TWO GRANDMOTHERS EMMA AND SPARROW**

appear again but the house itself is an important character this time Almost all the characters cause the reader to feel an

intensity of emotions somewhere between pain and laughter

explanations of grammar and usage based on The Chicago Manual of Style the US book publishing industry's authoritative reference guide. You no longer need to search the web or thumb through a stack of grammar books to find simple answers to your grammar questions. With Say What at your fingertips you'll spend less time fretting over grammar and more time writing. And you'll become a better writer in the process. Here's what writing instructors say about this handy grammar book: Good, concise and easily accessible reference books on grammar and usage are hard to find. I mean, are hard to find. This is one of them. James Scott Bell, bestselling novelist, writing coach and author of *Revision and Self Editing for Publication*. This handy user-friendly reference book, presented with style and humor, is a must for any writer serious about honing their craft and garnering respect for their works. An essential resource, the e-book will save you time with all its quick links to the short, snappy topics and the print version is small enough to stay within reach beside your computer so I highly recommend getting both. Respected editor and writer Susanne Lakin succeeds in making a dry topic interesting and meaningful. And using this book will also help you reduce your editing costs. Jodie Renner, editor and author of *Style That Sizzles*. As a self professed grammar nerd, let me just say this: The world needs more grammar nerds. Editor Lakin is doing her part to make this happen with her pithy, fun and supremely useful guide to the everyday writing mistakes most of us don't even realize we're making. Her book is conversational and approachable enough to make for enjoyable reading. But its true value is in its lookupability. This is the perfect guide to keep on your desk next to your computer for those moments when you're just not sure which word is right. K.M. Weiland, author of *Structuring Your Novel* and *Outlining Your Novel*. *Bedford Guide for College Writers 8th Ed 3-in-1 + Writer's Reference 6th Ed* Robert Strayer, 2008.
