Easy Wordpress Tutorial for Beginners Jared

Langsford, 2015-07-17 If you really want to build a new site or blog look over my shoulder at screen shots as I build one. Go along for the ride and build one today. REVIEW: Denise Galloway reviewed *Easy Wordpress Tutorial For Beginners* Easy Wordpress Handbook With Screen Shots. Wordpress A GREAT book for a beginner September 2 2013. I would give this book 7 stars if I could. I have to say for someone who is not computer savvy when it comes to technical stuff that this was the easiest book I have ever read. Jared is right to the point and if you follow his steps to the letter you cannot go wrong. He includes step by step pictures just as the cover implies. If your screen does not match the picture go back and do it again. Also he mentioned that he would email anybody who purchased the book updates as he creates them. So far I have received two updates. I had a question over a holiday weekend so I emailed Jared. I was hoping that I would get a response sometime within the week, certainly not expecting an answer the same day. And on a holiday? You just don't get that kind of service very often so I thought it was worth sharing. Thanks again Jared. I hope you create more books. Wordpress made easy for everyone in this easy to follow step by step guide. This easy Wordpress handbook is the only one you will ever need to buy. It is full of screen shots to make sure you know exactly what the next step is in your process of gaining an online presence.
