Left stick (1) and **right stick** (10): These are small joysticks, raised above the controller surface, with concaved rubbery pads. The left stick resides on the lower left of the front face of the controller, and the right stick resides on the lower right of the front face. The sticks are used to interact with games, apps, and the Xbox One interface. These move directionally, and they can also function as clickable buttons when you press down on them.

Left bumper (2) and **right bumper** (7): These are oblong-shaped pressable controls that reside on the top of the controller to the left and right of the USB charging port. These controls are used to interact with games, apps, and the Xbox One interface. They are often used as accelerators to jump between sections of
