**Zach's Lie** Roland Smith,2003-06-01 When Jack Osborne is befriended by his school's custodian and a Basque girl he begins to adjust to his family's sudden move to Elko Nevada after entering the Witness Security Program but the drug cartel against which his father will testify is determined

**Zimbabwe** John Parker,2013 John Parker was born an Ayrshire farmer's

boy on the 1st of January 1964 in the West of Scotland After travelling the world mainly by himself he now prefers to divide his time between his home in Scotland and his house on La Isla de la Juventud Cuba Parker's interests are writing comedy

travelling and photography While preferring to tutor himself in his writing dexterity or any other intellectual allegiance he

acquired a handy knowledge of various languages to assist him on foreign shores As he backpacked all over the world this bilingual adroitness gave Parker a different perspective and outlook on the many places he saw and the people he met along the way

**Zimbabwe** is the second of Parker's books after writing Escape Route which is about the many ridiculously comical

tight spots he experienced during his backpacking journeys On one of Parker's many digressions he sojourned all over Africa and his observations there along with his farming background inspired him to write this book Zimbabwe is a fictional book of

satirical humour about a country ruled by a dictator The story denotes a wry and often cruel denouement regarding the consequences of dictatorships and also presents a supposition on how the lives of the citizens within them are affected The

humorous characters within the literary composition will tend to veer the reader towards the hypothesis that both black and white people are guilty of a slightly tribal built in prejudicial disposition and it also reveals how fickle the human race can be

However it's all written in the name of comedy and the moral of the book is to demonstrate the instability in character that makes up the human psyche and to find the humour that lies beneath Many literary critics are now commenting that there isn't enough humour being written nowadays Zimbabwe is unique and others who have read it thought it was hilarious

written by an author with a sharp sense of humour you will have a laugh or two if you read on
