**Both/And Thinking** Wendy Smith, Marianne Lewis, 2022-08-09 An insightful and inspiring book on using both and thinking to make more creative flexible and impactful decisions in a world of competing demands Life is full of paradoxes How can we each express our individuality while also being a team player How do we balance work and life How

can we improve diversity while promoting opportunities for all How can we manage the core business while innovating for the future For many of us these competing and interwoven demands are a source of conflict Since our brains love to make either or choices we choose one option over the other We deal with the uncertainty by asserting certainty There s a better way In Both And Thinking Wendy Smith and Marianne Lewis help readers cope with multiple knotted tensions at the same time Drawing from more than twenty years of pioneering research they provide tools and lessons for transforming these tensions into opportunities for innovation and personal growth Filled with practical advice and fascinating stories including firsthand tales from IBM LEGO and Unilever as well as from startups nonprofits and even an inn at one of the four corners of the world Both And Thinking will change the way you approach your most vexing problems **Business Week** ,2008

**Reimagining the Creative Industries** Miranda Campbell,2021-10-31 This book documents the rise in youth creativity entrepreneurship and collective strategies to address systemic barriers and discrimination in the creative industries and create an expanded more diverse inclusive equitable and caring field Although the difficulties of entering and making a living in the creative industries a field which can often perpetuate dominant patterns of social exclusion and economic inequality are well documented there is still an absence of guidance on how young creatives can navigate this environment Foregrounding an intersectional approach Reimagining the Creative Industries responds to this gap by documenting the work of contemporary youth collectives and organizations that are responding to these systemic barriers and related challenges by creating more caring and community oriented alternatives Mobilizing a care ethics framework Miranda Campbell underscores forms of care that highlight relationality recognize structural barriers and propose new visions for the creative industries This book posits a future where creativity collaboration and community are possible through increased avenues for co creation teaching and learning and community engagement Anyone interested in thinking critically about the creative industries youth culture community work and creative employment will be drawn to Campbell s incisive work
