*Pumpkin Spice Magic* Sj Sanders, 2023-12-02 Halloween is my favorite time of the year and it's pumpkin spice everything. Not only is it tasty but all that cinnamon ginger and clove is just the thing to keep away goblins and ghoulies. I should have known that everything would go wrong this Halloween when the pumpkins are sold out and I must substitute the traditional carved pumpkin for a fake one with a battery powered candle and a prayer that it will be just as effective. A witch should know better that even the best laid wards can go awry when there is other powerful magic afoot. And magic will always have its day on Halloween night. I really shouldn't have agreed to help out the magician with a bit of magic on Devil's Night because now it has followed me home and there is no escape from what he summoned. But as the night wears on I'm more worried about whether or I even want to. **Totally Spiced** Zoey Indiana, What's worse than being cursed by a witch. Being cursed by two. My little cafe is my sleigh bell free haven. Until a Christmas themed store opens next to me. Now I can't even walk to my car in peace. What's worse the manager comes over to my cafe spreading her Christmas cheer everywhere.
