didn t you tell me Robert If I had known the situation was so dire I would have helped you Georgia watched her brother s haunted face Her ocean green gaze expressed deep disbelief What s the point You couldn t have done anything Robert nodded fatalistic If I didn t say anything it s because I also had one last hope I firmly believed that I would win the call for tenders for the construction of the amusement park to learn that old Sanderson was chosen It must be said that he spared no effort to win the game And as he likes to say in love as in war anything goes Georgia frowned delicate irritated by this allusion to Mike Sanderson whose rather dubious methods were well known to her What a crook It is not scruples that suffocate him Everyone knows he has an accommodating conscience she dropped dismissive With these words Robert came

to hug her then he stepped back to examine her face flushed with anger We both know that Mike is not responsible for my bankruptcy For several months I chose to take care of Sandra to the detriment of my business I do not regret anything but I am now paying the consequences Fate was cruel at times Georgia thought sadly When Robert learned that his wife Sandra was suffering from cancer overwhelming he had sacrificed everything to her At the same time he had done his best to spare David and Annie their seven year old twins the spectacle of his own pain and that of their mother s decline Robert and Sandra having hidden the tragedy that struck them from those around them Georgia had only learned of the seriousness of her sister in law s illness a month before her death As soon as she was informed she had moved quit a well paying and exciting job to come and live with her brother and support him in the ordeal that befell his family After all it was a fair turn of events because orphan at ten she had been taken in by Robert and Sandra with a tenderness that had never failed even after the birth of their two children Sandra took care of all the administrative tasks in Robert s business and supported him efficiently but she soon had to cease all professional activity After her death Georgia had resumed her post and put some order in the files abused by the interim secretaries who had succeeded in the company during the absence of her sister in law At that time she had also had the difficult mission of comforting her brother consumed by grief and the twins desperate by the disappearance of their mother By the way aren t you about to sign with Matt from Capistrano she resumed The fallout will be fantastic Sign with Matt from Capistrano Robert repeated as he ran his hand wearily through his hair With a heavy heart Georgia noticed that silver threads streaked her blonde hair The death of Sandra whom he loved since childhood and the family responsibilities that weighed on him had aged him prematurely
