## **Spiders Trap Elemental Assassin:**

*Spider's Trap* Jennifer Estep, 2015-07-28 The next thrilling book in Jennifer Estep's New York Times and USA TODAY bestselling Elemental Assassin series an extraordinary series One of the most intriguing heroines in the genre Romantic Times Book Reviews Keep your friends close but your enemies within stabbing distance One important lesson I've learned in the assassination business is that to be the best you have to roll with the punches Now that I'm queen of Ashland's underworld by default not by choice a lot more punches are being thrown my way But I suppose that's the price of victory for taking down some of the underworld's top dogs Good thing I have my Ice and Stone magic to help me survive my volatile new position Just when I think things are finally settling down someone tries to murder me during a hush hush underworld meeting But the real surprise is how strangely familiar my shadowy assailant seems to be My job is to maintain order among killers crooks and thieves and soon I'm embroiled in a bloody game where the ability to keep secrets could be the greatest superpower of all My enemies have all sharpened their knives and laid their traps waiting for me to fall But this Spider weaves her own webs of death

**Snared** Jennifer Estep, 2017-04-25 The sixteenth book in the New York Times bestselling Elemental Assassin urban fantasy series that RT Book Reviews calls An extraordinary series containing one of the most intriguing heroines in the genre Irony 101 The Spider herself snared in someone else's web Another week another few clues trickling in about the Circle the mysterious group that supposedly runs the city's underworld Gathering intel on my hidden enemies is a painstaking process but a more immediate mystery has popped up on my radar a missing girl My search for the girl begins on the mean streets of Ashland but with all the killers and crooks in this city I'm not holding out much hope that she's still alive A series of clues leads me down an increasingly dark dangerous path and I realize that the missing girl is really just the first thread in this web of evil As an assassin I'm used to facing down the worst of the worst but nothing prepares me for this new terrifying enemy one who strikes from the shadows and is determined to make me the next victim

**Unraveled** Jennifer Estep, 2016-08-30 Danger and new enemies await Gin Blanco aka the Spider the world of Ashland's most fearsome assassin in Unraveled Book 15 of the New York Times bestselling Elemental Assassin urban fantasy series that RT Book Reviews calls unbeatable entertainment What could go wrong when you're trying to unravel a decades old conspiracy As the current queen of the Ashland underworld you would think that I Gin Blanco would know all about some secret society controlling things from behind the scenes I might be the Spider the city's most fearsome assassin but all my Ice and Stone elemental magic hasn't done me a lick of good in learning more about the Circle Despite my continued investigations the trail's gone as cold as the coming winter So when Finnegan Lane my foster brother gets word of a surprising inheritance we figure why not skip town for someplace less dangerous for a few days That place Bullet Pointe a fancy hotel resort complex plus Old West theme park that Finn now owns lock stock and barrel At first all the strutting cowboys and sassy saloon girls are just hokey fun But add in some shady coincidences and Circle assassins lurking all around

and vacationing becomes wilder and deadlier than any of us expected Good thing this assassin brought plenty of knives to the gunfight *Bitter Bite* Jennifer Estep,2016-02-23 Which is stronger blood ties or a battle tested friendship That s the question Gin Blanco asks when a friend s long lost relative strolls into town The suspicious reunion is a surprise for everyone and a big problem for Gin Book fourteen in the New York Times bestselling urban fantasy series RT Book Reviews calls unbeatable entertainment It s not easy being queen bee of an underworld abuzz with crooks and killers Wielding my potent Ice and Stone elemental magic will only get me so far my real secret is my tight knit makeshift family a motley crew of cops and criminals dwarves and playboys My foster brother Finnegan Lane is my right hand man but when his suddenly not dead relative comes back into the picture I m the one on the outside looking in It s funny how life works one minute your best friend is rock steady and the next he s doe eyed and buying into this whole loving relative routine to the point of ignoring you I d like to be happy for Finn I really would But all of my instincts are telling me that beneath the syrupy sweet demeanor and old fashioned charm this sudden interloper is planning something The whole shtick leaves a bitter taste in my mouth This person might have avoided the grave once but I ll put anyone who hurts Finn in the ground for good **Nice Guys Bite** Jennifer Estep,2016-12-12 New York Times bestseller Jennifer Estep continues her Elemental Assassin urban fantasy series with a novella starring Silvio Sanchez the vampire assistant of Gin Blanco as he goes on a holiday date that turns out to be more deadly than romantic Working for Gin Blanco aka the Spider the assassin who runs the Ashland underworld doesn t leave much time for romance especially with Gin s holiday party planning in full swing But when he catches the eye of a charming gentleman Silvio finds himself going out for coffee All s fair in love and war though Just as Silvio is starting to enjoy himself he realizes he s being watched His nice guy date doesn t sense the danger and Silvio wants to keep it that way and well keep the guy alive so Silvio ends the date early only to be abducted by some villainous giants Will Silvio survive the night and make it back to the Pork Pit in time for Gin s holiday party Only if he decks the hall with bodies Heart Stings Jennifer Estep,2023-05-09 New York Times bestselling author Jennifer Estep serves up a novella focusing on secondary characters from her Elemental Assassin urban fantasy series This action packed adventure features elemental magic and an enemies to lovers romance Perfect for fans of Ilona Andrews Patricia Briggs Charlaine Harris and Faith Hunter Heart stings can be the most dangerous wounds of all Lorelei Parker has had plenty of heart stings in her life moments that are both happy and sad With her grandmother s recent marriage Lorelei has had far more good times than bad lately That all changes when a ruthless Ashland underworld boss starts threatening her but Lorelei is determined to figure out why the other crime boss is so interested in her thriving business She vows to use her elemental Ice and metal magic to do whatever it takes to defend herself and her family Also in the mix is the mercurial Hugh Tucker Lorelei doesn t know what the vampire is up to or if he s a friend or an enemy Tucker might even be something else something more if Lorelei can stay alive long enough to figure out whose side he s really on Note Heart Stings is a 38 000 word novella from the point of view of Lorelei Parker It takes place
