Spirit Seeking Haiku:

Spirit Seeking Haiku Jesse Sharpe, 2009-12-01 Spirit Seeking Haiku is the second of my two books that reflect upon Bishop Jordan's *The Laws of Thinking 20 Secrets to Using the Divine Power of Your Mind to Manifest Prosperity* My first book *God Speaks in Haiku* covers the first ten chapters of Jordan's book while *Spirit Seeking Haiku* responds to the final ten chapters Both of these books were written while in the process of reading Bishop E Jordan's *The Laws of Thinking* It is my hope that *Spirit Seeking Haiku* will be both an enjoyable read and one which leads to freeing the reader's mind and toward spiritual growth

Beading—The Creative Spirit Rev. Wendy Ellsworth, 2012-02-25 Find Your Creative Self in the Kaleidoscope of Beads Color Beading and my spiritual path are intricately interwoven It would be difficult for me to separate the two because they are so completely intertwined with one another As I sit and weave with my beads I allow the Creative Spirit to flow through me and though my hands are doing the work another force is actively participating in the process This force is a transmission of Spirit that fills me with deep inner peace and joy as I bead As a result the practice of my art form has become a creative path to my sacred center from the Introduction Believing that beading is a form of meditation through which we can access the Creative Spirit that is always present in us master bead artist Rev Wendy Ellsworth offers multiple ways to explore beading as a spiritual journey of self discovery Each of the seven chapters is rich with personal stories exercises and beading projects and each project has a meditative experience to encourage a contemplative spirit and creative play The project results are beautiful meaningful symbols designed by a master bead artist for both novice and experienced beaders alike Original projects include Geometric Mandala Personal Mandala Personal Prayer Beads Beaded Prayer Pouch Goddess Archetype Necklace Beaded Stick Figure Goddess Chakra Necklace Chakra Flower Sculpture Free form Gourd Stitch Bracelet Ruffled Cabochon Brooch Dutch Spiral Necklace Spiral Vessel Song Beads Herringbone Stitch Cuff with Freshwater Pearls

The Red Pagoda , **The Way of the Rose** Clark Strand, Perdita Finn, 2019-11-05 What happens when a former Zen Buddhist monk and his feminist wife experience an apparition of the Virgin Mary This book could not have come at a more auspicious time and the message is mystical perfection not to mention a courageous one I adore this book Caroline Myss author of *Anatomy of the Spirit* Before a vision of a mysterious Lady invited Clark Strand and Perdita Finn to pray the rosary they were not only uninterested in becoming Catholic but finished with institutional religion altogether Their main spiritual concerns were the fate of the planet and the future of their children and grandchildren in an age of ecological collapse But this Lady barely even referred to the Church and its proscriptions Instead she spoke of the miraculous power of the rosary to transform lives and heal the planet and revealed the secrets she had hidden within the rosary's prayers and mysteries secrets of a past age when forests were the

only cathedrals and people wove rose garlands for a Mother whose loving presence was as close as the ground beneath their feet She told Strand and Finn The rosary is My body and My body is the body of the world Your body is one with that body What cause could there be for fear Weaving together their own remarkable story of how they came to the rosary their discoveries about the eco feminist wisdom at the heart of this ancient devotion and the life changing revelations of the Lady herself the authors reveal an ancestral path available to everyone religious or not that returns us to the powerful healing rhythms of the natural world *Every Trail Has a Story* Bob Henderson,2005-03-07 Canada is packed with intriguing destinations where heritage and landscape interact Bob Henderson captures our living history and its relationship to the land
