St Clare A Short Biography

Joan Mueller

St Clare A Short Biography:

St. Clare Joan Mueller, 2013 St Clare is a much loved figure in Catholic sainthood although less known than St Francis of Assisi These two figures were critical to the renewal of the Church in their time and their work has implications far down the ages to our present time St Clare A Short Biography looks at the founder of the Order of the Poor Ladies now the Order of Saint Clare commonly referred to as the Poor Clares a monastic religious order for women in the Franciscan tradition It considers the woman who heard and chose to follow Francis rather than marrying a young and wealthy man as her parents wanted who moved to the church of San Damiano and then drew other women to a place known for its radically austere lifestyle Most of all the book reflects her theology of joyous poverty in imitation of Christ and her willingness to follow the call of Christ This is an introductory portrait of St Clare beyond the common perceptions with the spirit of Franciscan practice implicit throughout the work St Clare A Short Biography highlights the relevance of this pivotal saint to our lives here and now

St. Clare of Assisi: A Concise Biography P. Robinson, Wyatt North, Wyatt North Publishing is proud to bring you a collection of concise biographies of Catholic and Orthodox Saints You can collect them all Saint Clare of Assisi A Concise Biography comes complete with a Touch or Click Table of Contents divided by each section and the Christian Image Collection a myriad of beautiful colorful religious images Clare was born in Assisi Italy as the eldest daughter of Favorino Scifi Count of Sasso Rosso and his wife Ortolana Ortolana was a very devout woman who had undertaken pilgrimages to Rome Santiago de Compostela and the Holy Land Later on in her life Ortolana entered Clare s monastery together with Agnes Clare s sister Clare was always devoted to prayer as a child When she turned 15 her parents wanted her to marry a young and wealthy man but she originally wanted to wait until she was 18 But when she was 18 she had heard Francis s preachings Those preachings were beginning to change her life He told her she was a chosen soul from God Soon on Palm Sunday when people went to grab their palm branches she stayed On that very night she ran away to go follow Francis When she got there he cut her hair and dressed her in a black tunic and a thick black veil Clare was put in the Benedictine nuns near Bastia and was almost pulled by her father for originally he wanted her to marry at age of 15 Clare and her sister Agnes soon moved to the church of San Damiano which Francis himself had rebuilt Other women joined them there and San Damiano became known for its radically austere lifestyle The women were at first known as the Poor Ladies San Damiano became the focal point for Clare s new religious order which was known in her lifetime as the Order of San Damiano San Damiano was long thought to be the first house of this order however recent scholarship strongly suggests that San Damiano actually joined an existing network of women s religious houses organized by Hugolino who later became Pope Gregory IX Hugolino wanted San Damiano as part of the order he founded because of the prestige of Clare s monastery San Damiano emerged as the most important house in the order and Clare became its undisputed leader By 1263 just ten years

after Clare's death the order became known as the Order of Saint Clare. The Saints in My Life encourages us to see the Communion of Saints as a spiritual extended family. As members of the Mystical Body of Christ they should be as present to us as anyone we meet on the street. By becoming familiar with the saints' stories you will discover lives that resonate with your own, building the foundation for a personal relationship with them. Father Benedict J. Groeschel reveals his favorite saints and his process for befriending the saints by describing His first encounter with the saint. A brief sketch of the life and significance of the saint. His friendship with and devotion to the saint. The way the saint has influenced him and affected his life. Saints include Saint Monica, Saint Augustine, Saint Benedict, Saint Francis of Assisi, Saint Clare of Assisi, Saint Catherine of Siena, Saint Thomas More, Saint Bernadette Soubirous, Saint Maximilian Kolbe and more. **Saint Clare of Assisi** Ernest Gilliat-Smith, 1914. **Light of Assisi** Margaret Carney, 2021-04-13. For centuries St. Clare of Assisi has been a lesser-known saint simply because she was overshadowed by the giant that is St. Francis. This biography not only tells the story of their intertwined lives but more importantly highlights the extraordinary contributions Clare made to the Franciscan world following Francis's death. This book is her story from birth until death in 1253. Sr. Margaret Carney captures who this medieval woman was and interprets it in a way modern readers will understand. It provides answers to all the questions about why we knew so little about St. Clare but have overflowing information about St. Francis. Clare offers readers two valuable lessons: firstly, the significant importance that women and particularly this extraordinary woman played in the Franciscan story. Secondly, it is that Clare's importance stems from the fact that she, the recipient of a gift from the Spirit of the Lord, had her own charisma that made her special. She is in fact one of the most remarkable and influential saints from medieval Christianity. European experts in early Franciscan history have tirelessly worked on the preservation and at extending our knowledge of Saint Clare of Assisi. Yet it wasn't until the last 50 years that the English-speaking world became familiar with her because the materials just were not readily available. Thankfully, a number of biographical studies and related documents, translations of her writings, and the clearer understanding of poetry, art, music, and theatrical offerings at the time she was alive paint a more accurate picture and enrich the story of this fascinating and influential woman. *Life of St. Francis of Assisi* Father Cuthbert (O.S.F.C.), 1913. *Francis of Assisi* Volker Leppin, 2025-01-28. An award-winning historian reconstructs the life of Francis of Assisi, uncovering the man behind the myths. One of the most famous figures in Christian history, Francis of Assisi (1181-82-1226) was revered as a miracle worker during his life and quickly canonized after his death. He has inspired generations of Christians and other spiritual seekers, from medieval ascetics to 1960s hippies and modern environmentalists. The poverello wrote poems praising the sun, moon, and stars, spoke to the birds, and so the story goes, even tamed a wolf. But what do we know for sure about who he was and what is simply legend? Drawing on centuries of scholarship, Volker Leppin pieces together fragments of Francis's life story to find a seeker who never reached his destination, a man

whose extraordinary charisma drew others in yet who was uncomfortable in the spotlight Amazingly Francis stayed within the fold of the church while offering a new and radical vision of Christianity that proved wildly popular Leppin s Francis of Assisi sets Francis s inner emotional and spiritual world against a broader historical background to show how the message of this inspiring and often vexing medieval saint continues to resonate in our contemporary world **The Index to American Catholic Pamphlets** Eugene Paul Willging,1927 **The Life and Times of Cardinal Ximenez** Karl Joseph von Hefele,1885 **St. Clare of Assisi** de Chérancé Léopold,Robert Francis O'Connor,2023-07-18 This insightful biography delves into the life of St Clare of Assisi the founder of the Poor Clares The authors provide a vivid portrait of this remarkable woman and her dedication to a life of poverty prayer and service to others Whether you are a scholar of medieval history or simply interested in the lives of the saints this book is a must read This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Oxford History of British and Irish Catholicism, Volume II James Edward Kelly,John David McCafferty,John Morrill,Liam Peter Temple,2023 The second volume of The Oxford History of British Irish Catholicism traces the fortunes of Catholic communities in England Wales Scotland and Ireland from the outset of the Civil Wars in 1641 to the Jacobite rising of 1745 Consciously transnational it stresses connections with the European continent and beyond **Annual Bulletin of Historical Literature** Historical Association (Great Britain),1923 St. Francis of Assisi: Writings and Early Biographies Marion Alphonse Habig,1973 Translations by Raphael Brown Benen Fahy Placid Hermann Paul Oigny Nesta de Robeck Leo Sherley Price with a research bibliography by R Brown Bibliography p 1667 1760 **A Biographical Dictionary** Thompson Cooper,1890 *The Fortnightly Review* ,1910 The Classics, Their History and Present Status in Education Felix Marie Kirsch,1928 **Clothed with Gladness** Mary St. Paul,2011-01-01 The living embodiment of the prophecy given to Francis that holy ladies would one day glorify the entire Church by living at the monastery of San Damiano St Clare was among the first to adopt the Franciscan way of life A saint as enchanting today as she was in her own time she is the only person who perfectly embodied the vision of Francis living out her vocation with his same poetic literalness This delightfully drawn portrait sketches St Clare in warm human tones while carefully illuminating her overwhelming reputation for sanctity her deep friendship with Francis and her own spiritual development The Publishers' Circular and Booksellers' Record ,1928
