We Were Pirates A Torpedoman's Pacific War:

We Were Pirates Robert D Schultz, James Shell, 2009-09-01 A sailor's extraordinary experiences on an American submarine in the Pacific are candidly reported in this eyewitness account of war from a torpedoman's perspective Robert Hunt managed to survive twelve consecutive war patrols on the submarine USS Tambor During the course of the war Hunt was everywhere that mattered in the Pacific He stood on the bow of the Tambor as it cruised into Pearl Harbor just days after the devastation of the Japanese air raid peered through binoculars as his boat shadowed Japanese cruisers at the Battle of Midway ferried guns and supplies to American guerilla fighters in the Philippines fired torpedoes that sank vital Japanese shipping and survived a near fatal seventeen hour depth charge attack For exceptional skill and proficiency at his battle station Hunt received a commendation from Fleet Admiral Chester W Nimitz This WWII torpedoman's account of the war offers the rare perspective of an enlisted seaman that is not available in the more common officer accounts To capture and recount the progress of the Pacific War through Hunt's eyes coauthors Robert Schultz and James Shell examined the young submariner's war diary as well as crew letters photographs and captains reports and they also conducted hours of interviews Their vivid descriptions of the ways in which sailors dealt with the stress of war while at sea or on liberty show a side of the war that is rarely reported The fact that Hunt's submarine was the first of a new fleet of World War II boats and the namesake of a significant class adds further value to his remarkable story **Naval History** ,2015 **The Publishers Weekly** ,2009 **Library Journal** ,2009 *The New York Quarterly* ,2005 **Army-Navy-Air Force Register and Defense Times** ,1936 **Army and Navy Register** ,1936 **Pacific War Remembered** Mason,1986 *The Pacific War Remembered* John T. MASON,2013-07-31 In this remarkable oral history collection thirty three participants in the turbulent epic that began with the day of infamy at Pearl Harbor and ended with the signing of the surrender documents in Tokyo Harbor tell their stories Their remembrances of heartbreak frustration heroism hope and triumph were collected over a period of twenty five years by John T Mason Their recollections reveal perspectives and facts not included in traditional works of history Each selection introduced with a preface that places it in the context of the Pacific War takes the reader behind the scenes to present the personal untold stories of naval history Included are Admiral William S Sullivan's account of the problems involved in clearing Manila Harbor of some five hundred wrecked vessels left by the departing Japanese and Admiral Thomas C Kinkaid's description of the communications breakdown at the Battle of Leyte Gulf There are also the very personal recollections of humor and horror told by the unknown actors in the war the hospital corpsman the coxswain and the machinist's mate Originally published in 1986 this volume is an unusual and lasting tribute to the ingenuity and teamwork demonstrated by America's forces in the Pacific as well as a celebration of the human spirit *The Original Tomcat* Jackson Sellers,2004-05-24 At long last The Original Tomcat has found an everlasting home Never again will the book be out of print and unavailable to those seeking it In this respect Xlibris is superior to traditional publishers At Xlibris a book

with small or modest sales is not allowed to languish and die From now on The Original Tomcat can be purchased from Xlibris com Amazon com or other Internet book services And for those who are not PC savvy the book can be ordered at brick and mortar bookstores such as Borders or Barnes the U S Navy Memorial Foundation in Washington East Carolina University in Greenville North Carolina and the Louisiana Naval War Memorial Foundation in Baton Rouge where a copy is on permanent display in the Colahan locker aboard the memorialized USS Kidd General libraries offering the book include the Springfield Greene County The Pacific war remembered John T. Mason,1986 **We Will Stand by You** Theodore C. Mason,2013-01-15 This view of the war from the mess deck of a fleet tug is far different from those written from a flag bridge vantage A Navy radio man Ted Mason recalls his years of action in the Pacific with candor and humor offering perceptive evaluations of shipmates and exhibiting cool skepticism toward his leaders The USS Pawnee rescued many ships during her 25 month tour of the South and Western Pacific and this story of the heroics performed by her crew makes intriguing reading

Avenging Pearl Harbor Keith Warren Lloyd,2021-11-15 It was a miracle three years in the making a testimony to American fortitude and ingenuity and perhaps the key to why the United States won a war that after Pearl Harbor seemed hopeless Impeccably researched Avenging Pearl Harbor is colorfully written personal chilling visceral Historian Keith Warren Lloyd brings his gift for injecting life and personalities and heretofore untold stories of the men and women involved members of what became known as The Greatest Generation whose heroism and sacrifice brought about the miraculous new life of a sleeping military force that was reeling and on its knees It is a story has never before been told in such detail and with such vibrancy On the night of 24 October 1944 a force of two battleships one heavy cruiser and four destroyers from the Imperial Japanese Navy steamed into Surigao Strait in the Philippines Their objective to attack the invasion fleet of General Douglas MacArthur s army in Leyte Gulf Alerted by scouting PT boats the U S 7th Fleet under the command of Rear Admiral Jesse Oldendorf prepared a deadly trap Waiting for the enemy force were six American battleships and supporting cruisers and destroyers Oldendorf performed the classic naval maneuver of crossing the T which allowed the American ships to fire broadsides at the oncoming Japanese vessels while the enemy could only fire with their forward turrets When the smoke cleared the Japanese fleet had been all but annihilated Among the victorious American battleships were the Maryland Pennsylvania West Virginia California and Tennessee five of the eight dreadnoughts that had been bombed at Pearl Harbor The five ships had been raised repaired modified and re manned After three long years they finally had their revenge Avenging Pearl Harbor takes readers from the attack on Pearl Harbor telling the story of the severe damage dealt to each ship and the incredible acts of courage performed by the sailors of each crew that morning It continues with how each ship was raised and repaired Herculean in scope and the mustering of new commanders officers and crewmen The final drama unfolds as of each ship returns triumphantly to the battle fleet and the ultimate triumph at the battle of Surigao Strait

Voices from the Pacific War Bruce M. Petty,2004 **Pacific Crucible** Ian W. Toll,2012-11-26 Winner of the Northern

California Book Award for Nonfiction Both a serious work of history and a marvelously readable dramatic narrative San Francisco Chronicle On the first Sunday in December 1941 an armada of Japanese warplanes appeared suddenly over Pearl Harbor Hawaii and devastated the U S Pacific Fleet Six months later in a sea fight north of the tiny atoll of Midway four Japanese aircraft carriers were sent into the abyss a blow that destroyed the offensive power of their fleet Pacific Crucible through a dramatic narrative relying predominantly on primary sources and eyewitness accounts of heroism and sacrifice from both navies tells the epic tale of these first searing months of the Pacific war when the U S Navy shook off the worst defeat in American military history to seize the strategic initiative **Good Night Officially** William McBride, 1996-05-16 27 March 1945 Hello baby darling We re at sea again The jumping rolling tossing sea again My belly isn t the only thing with the jitters this time They affect my whole body Okinawa Just looking at it on the map breaks us out in a cold sweat Okinawa spells Kamikaze Corps to us Somebody s gotta get it and we may be lucky or unlucky You see the Navy loses a lot of men but you don t particularly hear about it These are the words of Orvill Raines a newspaperman in civilian life who now found himself in the uniform of a Yeoman Second Class on the destroyer Howorth and smack in the middle of the Pacific war From his assignment to the ship in April 1944 until his death one year later in a kamikaze attack off Okinawa Orvill Raines wrote a remarkable series of letters to his young bride Ray Ellen His perceptive uncensored correspondence shows us with a directness that no conventional history could hope to match the horrific experiences shared by thousands of American seamen who fought the good war against the Japanese half a century ago Special arrangements with the officer responsible for censoring his letters enabled Raines to candidly chronicle the war as he and his shipmates knew it His keen and literate observations provide a rare glimpse of the everyday world of the enlisted sailor a world permeated by boredom and routine camaraderie and high jinks but regularly punctuated by the frantic action and intense terror of combat And the Howorth s crew saw plenty of combat The reconquest of the Philippines where Raines s strongest memory is of the continual parade of floating bodies in Leyte Gulf the twenty four days spent firing on the entrenched Japanese on the stark volcanic hell of Iwo Jima and the bloody invasion of Okinawa are just some of the dramatic engagements that Raines witnessed and recorded There is a deeply personal side to these letters as well They tell of Orvill s adoration and longing for Ray Ellen faced with a lengthy and uncertain separation they promised to bid each other an official good night every evening and of his aspirations for a better life after the war Knowing the author s fate renders these hopes and dreams even more poignant Orvill s last letter to be opened only in the event of his death is the most touching of all as he bids his beloved Ray Ellen a final goodbye officially The letters are carefully edited and superbly set in their historical context by William M McBride Good Night Officially is a tribute to the genuine heroism of the millions of ordinary men who served their country in World War II and a fitting remembrance of the squandered potential and tragic sacrifice made by hundreds of thousands of Americans in a war of unparalleled ferocity *Zigzagging in the Pacific* Harold J. Cook, 2009 This book is a memoir of my service in the United

States Navy during World War II To refresh my memory I had three sources of information First of all I secured a copy of the ship s log for each of the ships on which I served for the time I was aboard the USS Pyro and the USS Las Vegas Victory On my second ship the preparation of the ship s log was part of my duty as the Navigator Secondly Commander William F Lally the captain of my second ship at the end of the war had submitted to the Department of the Navy a brief history of the ship The Department of the Navy sent me a copy of this history And lastly I referred to the letters I had written home during the war My mother had kept all of them intact Due to censoring we were not allowed to write about where we were or what we were doing but several of the narratives come from those letters Harold J Cook **Good Night Officially** Yeoman James Orvill Raines,2019-03-11 My interest in USS Howorth originated during my thirty three months of duty in the Pacific Fleet destroyer Hamner named after Howorth s gunnery officer killed at Okinawa Lieutenant Henry R Pete Hamner His legacy jncluded the Reader s Digest subscriptions his mother presented each year to the wardroom and crew Later as executive officer in the hydrofoil Plainview exasperated by the endless stream of logs and records demanded by higher authorities I peevishly tested the navy s record system and wrote away for information on Lieutenant Hamner and Howorth I was surprised by the magnitude of the material documenting Howorth s Pacific War ranging from hourly barometric readings and seawater injection temperatures to ammunition effectiveness reports **Midway** Jay Wertz,Wes Locher,2022-02-17 Visually portrays the story of the pivotal battle of Midway and how it turned the tide in the Pacific War **Now Hear this** Douglas Edward Leach,1987
