Writing A Life Lucy Maud Montgomery:

Writing a Life Mary Rubio, Elizabeth Waterston, 1995 Lucy Maud Montgomery was born with the storyteller's gift. Throughout her life she would use this talent to tangle and reinforce the intersecting threads of her experience: her Scots heritage, her early years in nineteenth century Prince Edward Island, her teacher training at Prince of Wales College in Charlottetown, her unhappy marriage to a Presbyterian minister and her powerful tormenting ambition. With the creation of Anne of Green Gables, Montgomery quickly became Canada's most enduring and celebrated author. Yet this biography presents the Montgomery legend with a darker cast. Rubio and Waterston reveal Montgomery to be a subversive writer who interjected messages of resistance into her superficially pleasant stories. The authors pay attention to Montgomery's private journals which pulse with open resentment at the structures of daily life that caught her ambition in cobwebs. Trapped in her marriage, confined by motherhood and bound by the need to present a smiling face of domestic and feminine amiability in accord with the romantic tales she was producing, Montgomery's journals testify to her struggles with emotional depression and her self-destructive dependence on her increasing popularity. Before long she became caught by her very facility in creating narratives unconsciously adapting her life to suit her writerly needs. **Lucy Maud Montgomery** Elizabeth MacLeod, 2001-02-01 Lucy Maud Montgomery believed that one day she would be taken seriously as a writer. Despite the many obstacles she faced throughout her life, Montgomery not only earned a good living as a writer but also became famous for it. Anne of Green Gables is one of the most popular books ever written and has been translated into over 20 languages, garnering Montgomery worldwide recognition and appeal. Weaving the real events of her life into the fabric of her fiction using photographs, excerpts from newspapers and actual journal pages, this biography explores Montgomery's struggle and determination to realize her dreams. This book in the Snapshots Images of People and Places in History series includes a concise timeline and a listing of pertinent Web sites. **Lucy Maud Montgomery** Elizabeth MacLeod, Kids Can

Press, 2001-01 Describes and life and times of the author as she wrote Anne of Green Gables and many other popular books.

Lucy Maud Montgomery - The Story Girl Lucy Maud Montgomery, 2016-12-23 Lucy Maud Montgomery was born in Clifton, Prince Edward Island, Canada, on November 30, 1874. Her mother died when she was a toddler, and her devastated father asked her grandparents to raise her. Her childhood years in Cavendish were very lonely. Lucy's solution at this early age was to create imaginary worlds and people them with imaginary friends. Her creativity was beginning to establish itself in her life. With her studying days over, Lucy began a career as a teacher and worked at various Prince Edward Island schools. It was soon obvious to her that she did not enjoy teaching, but the benefit was that it gave her time to write. That was now her real passion. Much of her early career was spent writing short stories. Indeed, in the decade from 1897, magazines and newspapers published over 100 stories from the prolific young writer. In 1908, Lucy published her first book, the classic Anne of Green Gables. It was an immediate success and quickly established her career. During her lifetime, Lucy published 20 novels.
