

Global History Thematic Essay: The Industrial Revolution

Directions: Write a well-organized essay that includes an introduction, several paragraphs addressing the task below, and a conclusion. This should be completed by the end of the period.

Theme: Economic Systems (The various ways societies manage scarce resources for the production of goods and services).

Since the 19th century, industrialization has had positive and negative effects on the lives of workers.

Task:

- Define the term "industrialization".
- Select **one** nation that you have studied and discuss **two** specific examples of the ways in which industrialization changed the lives of workers in that nation.
- Discuss the response of the workers, reformers, and/or government to these changes.
