When cracks start forming in an influencer s curated life she finds out that jealousy is just as viral as a video in this riveting suspense novel by bestselling author Jesse Q Sutanto Influencer Meredith Lee didn t teach Aspen Palmer how to blossom on social media just to be ditched as soon as Aspen became big So can anyone really blame Mer for doing a little stalking Nothing serious more like Stalking Lite Then Mer gets lucky she finds one of Aspen s kids iPads and swipes it Now she has access to everything the family calendar and Aspen s social media accounts Would anyone else be able to resist tweaking things a little here and there showing up in Aspen s place for meetings with potential sponsors Mer s only taking back what she deserves what should have been hers Meanwhile Aspen doesn t understand why her perfectly filtered life is falling apart Sponsors are dropping her fellow influencers are ghosting her and even her own husband seems to find her repulsive If she doesn t find out who s behind everything she might just lose it all What everyone seems to forget is that Aspen didn t become one of TikTok s biggest momfluencers by being naive When Meredith suddenly goes missing Aspen s world is upended and mysterious threats begin to arrive but she won t let anything get in the way of her perfect life again **American Cinema of the 2010s** Dennis Bingham,2021-12-10 The 2010s might be remembered as a time of increased polarization in American life The decade contained both the Obama era and the Trump era and as the nation s political fissures widened so did the gap between the haves and have nots Hollywood reflected these divisions choosing to concentrate on big franchise blockbusters

at the expense of mid budget films while new players like Netflix and Amazon offered fresh opportunities for low budget and independent filmmakers. As the movie business changed, films ranging from *American Sniper* to *Get Out* found ways to speak to the concerns of a divided nation. The newest installment in the *Screen Decades* series, *American Cinema in the 2010s*, takes a close look at the memorable movies, visionary filmmakers, and behind the scenes drama that made this decade such an exciting time to be a moviegoer. Each chapter offers an in-depth examination of a specific year, covering a wide variety of films from blockbuster superhero movies like *Black Panther* and animated films like *Frozen* to smaller budget biopics like *I, Tonya* and horror films like *Hereditary*. This volume introduces readers to a decade in which established auteurs like Quentin Tarantino were joined by an exceptionally diverse set of new talents taking American cinema in new directions.
